Bennett's  
The magnet for customers and competitors alike.  
They're crowding around us.

There have been several cold, drizzly days this week, but it's an awful cold day when Bennett gets left. One of the cold days saw the Y. M. C. A. snap up a fine piece of property across the way. The next afternoon—and next it was, too—a worthy competitor signed up to be our next door neighbor. All this makes us feel so good. Don't know whether it is luck or what it is, but we are going to be right IN IT. Omaha's business heart is Bennett's. Look at above diagram and find proof. Isn't it true?

### How's Your Hands and Face

Is this a-a-u-t-u-m-n weather? Lotus Cream is a most needed article these changeable days. The size we sell for 10c is just as large as other creams which sell for 25c and our 25c size holds JUST FOUR TIMES MORE than other 25c creams; and what's more, if our's won't take the place of the best of 'em, we have your money waiting for you. Is it not much better to be able to get the leading patent medicines at 21 per cent discount than to pay full price as you once did? Do you know that you would now be paying that old-time price if we had not stood out alone against the combine? What did we have the attorney general and governor of Nebraska down here for but to have him tell these trust members what the anti-trust laws of Nebraska were made for? And didn't they STOP THAT BOYCOTT AND DIS-TRACTIVE business mighty quick, and now who is getting the benefit of that fight we had? Why, the people are, and they are appreciating it, too.

### TEN MORE TRIPS

To the St. Louis exposition. Fifty trips have already been awarded as a result of the previous "elections." There are still ten trips for those who are ambitious to see the exposition and make the journey at the expense of The Bee. The exposition is not open yet, but when your friends come back in the summer and fall and tell you how fine it was, you will be sorry that you did not let people know that you wanted to go and get them to vote for you. A little hustling will result in A SPLENDID VACATION.

Get your friends interested in the fact that you want to go and they will be glad to prepay their subscriptions and to save their coupons for you. Remember that you get 520 votes on a year's subscription in the city and 600 votes on a year's subscription in the country. The trip from Omaha to St. Louis will be Via the Wabash

The reason the Wabash has been selected as the best route to the World's Fair is because it is many miles the shortest, the time is quicker and it lands passengers at its own station at the main entrance at the World's Fair grounds. It has seven distinct lines to St. Louis from all directions, so that its facilities for taking care of you are greater than that of any other road.

### Rules of the "Election"

The ten persons receiving the largest number of votes at the close of each "election" will be furnished, at The Bee's expense, as prizes, each a free trip from Omaha to St. Louis and return, to be taken any time during the exposition.  
No restrictions are placed as to where the party lives as a candidate for one of the exposition trips.  
No votes will be counted for employees or agents of The Omaha Bee. All votes must be made on coupons which will be published each day in The Bee.  
Prepayment of subscriptions may be made either direct to The Bee Publishing Company or to an authorized agent of The Bee.  
The vote from day to day will be published in all editions of The Bee.  
The "elections" will close each Thursday at 5 p. m.  
Votes may be deposited at the business office of The Bee or sent by mail. No votes sent by mail will be counted which are not in the Omaha postoffice for delivery at 4:30 p. m. on the day of closing.

Address, "Exposition Department," Omaha Bee, Omaha, Neb.

### HOCTOR FILES A CONTEST

Democratic Nominee for Mayor of South Omaha Protests Returns.

WANTS TO GET IN KOUTSKY'S SEAT.

Petition Alleges No Fraud in Returns. Ask Axes for Recount, Simply Demanding Delivery of the Office.

Thomas Hoctor, democratic candidate for mayor of South Omaha at the last election, has begun proceedings in the county court to oust the incumbent, Frank Koutsky, and to place himself in possession of the office. The complaint was filed yesterday and a summons issued returnable May 2. A recount is not asked for directly in the filing and no allegations of fraud made.

The court is asked to annul the election of Koutsky, to cancel his certificate and adjudge the contestant duly elected, out the incumbent and place Hoctor in control. In exhibits attached Hoctor is represented as having 2,145 votes against the returns of the canvassing board, which gave him 1,065, while the figures for Koutsky are changed from 2,065 to "less than 2,000."

This calculation is reached by simply taking five votes away from Koutsky in each precinct and giving them to Hoctor. As a ground for this transaction, it is alleged that mistakes were made, for a variety of reasons, as follows: That the five ballots were not marked as required by law, but were marked by the voters so that the latter might identify them; that they were not endorsed by two judges; that it is impossible to tell from the books whether the ballots were meant for Hoctor or Koutsky; that they were cast by voters disqualified because they had not resided in the state and precinct the time required by law; that they were cast by non-registered voters.

These attacks are intended to apply to any or all of the five ballots alleged to have been counted wrongfully in each voting district.

What They Demand.  
Headaches, liver complaints, bowel disorders demand Dr. King's New Life Pills. They are gentle, but cure or no pay, 25c. For sale by Kuhn & Co.
