INDIANAPOLIS, April 27,-The republican state convention today nominated J. Frank Hanly of Lafayette for governor on the first ballot. The nomination was the result of a stampede precipitated by Madison county, which, before a count was made by the tellers, changed its vote, which had been divided among the other candidates, W. L. Penfold of Auburn, W. L. Taylor of Indianapolis and Warren G. Sayre of Wabash, and voted as a unit for Hunly.

The following were nominated as presidental electors-at-large:

George A. Cunningham, Evansville; Joseph D. Oliver, South Bend, and E. S. Holliday, and John C. Chaney, republican congressional nomines in the Second district. For delegates-at-large to the national convention: Senator Charles W. Fairbanks, Senator Aibert J. Beveridge, both of Indianapolis; Governor W. T. Durbin, Auderson; State Chairman James Goodrich, Winchester.

Indiana Platform.

The platform of the republican party, as adopted by the resolutions committee, was read to the convention by Ward Watson of Charleston, chairman of the committee. it says:

it anysi The republican party, in convention as-similar of the achievements of the nation since the party was founded and intrusted by the party was founded and intrusted by the the slaves, established the monetary sys-ic and the achievements of the monetary sys-ter of a goid basis, restored the achional or protection, until the United states h the slaves, established the monetary sys-ter of protection, until the United states h the slaves, established the monetary sys-ter of protection, until the United states h the slaves, established the monetary sys-ter of protection, until the United states h the scause of humanity it fought a protection of the states of the scale the slaves, and the respect and prace of protections, was under republican achimistrations, have won the respect and prace of the states and was under continuing wise and par-mones forward, maintaining and extending is policies and its purposes, and with un-port and suffrages of the people. He was in Berlin last week when the fate of Major von Glaseday. napp's column gave concern and the war ministry conferred with him regarding the chief command of another expedition. In spite of the statement given out yes terday that Colonel Duer is returning from German Southwest Africa owing to illness the Cologne Gazette says that the belief still prevails in Berlin political circles that his return is due to a conflict of authority with Colonel Leutwein. FEAR IN SAN DOMINGO AND HAYTI enses. Both Republics on Island Expect Trouble for Deposed Officers. CAPE HAYTIEN, Hayti, April 27 .- The Dominican government cruiser Presidente has arrived here. It reports that while

it stopped at Monte Cristi, on the north coast of San Domingo and fired several shells at the forts, which are held by revolutionists. The latter replied and obliged the cruiser

to cease the bombardment. The Presidente further reported that a lively engagement took place recently at Guayacan, with the result that the government forces lost many men.

General Jiminez is expected to return to San Domingo soon with war munitions. This prospect is causing the Dominican government anxiety and led to its declaring Monte Cristi to be blockaded.

General Salnave, a Haytien refugee, has been notified to leave Dominican territory immediately. Under the auspices of General Jiminez, it is asserted, General Saloverthrow of the Haytien government.

nave was preparing an expedition, the attention to the subject and had concluded object of which is said to have been the that under the provisions of the sundry It is regarded that an agreement has for the purchase of silver for subsidiary been entered into by the Haytien exiles coinfige is complete. UNIDENTIFIED BOAT AGROUND Schooner Rigged Vessel is in Trouble

Off the New Jersey Shore.

ATLANTIC CITY, N. J., April 27 .- South Brigantine life saving station reports a steamship ashore about three miles off that station.

The steamship is schooner-rigged and has a black funnel with white stripes. It is possible that the vessel may be a Ward liner, as the furinels of steamships of this line are marked in that way. The steamship was driven ashore during the severe northeast storm last night.

Neither the Atlantic City nor Brighton life savers have yet been able to reach the stranded steamship. There is a dense ship.

NEW YORK, April 27.-The agents of the Ward line say that the steamer ashore near tally and surgeons will devote their efforte Atlantic City cannot be one of their line. to save her from being distigured for life. as none of their steamers could have been The conference report on the sundry civil in the vicinity last night.

MUST PRODUCE MORE COTTON

New England Manufacturer Says Ray Material Should Be More Abundant and Cheaper.

BOSTON, April 27 .- In his annual address to the members of the New England Cotton Manufacturers' association, which began its yearly convention here today. President F. Herbert Walmsley said that one of the most pressing questions engaging the attention of the cotton world today was that of the development of the resources of the southern cotton belt. He held that it was essential to the interests of the United States, as a producer, manufacturer and exporter of cotton, that the supply from

our fields be increased and its cost reduced so as to retain an enormous source wealth to the country. He expressed the belief that the trade would never be free from "unlawful high prices, speculation and unsatisfactory and harmful fluctuations century of remarkable industrial developuntil there is ample supply of the raw mament pendered us an important factor in terial."
