been begun. He was not in a po

admiral with bouquets, Archimandrite Cornellus bestowed on Aumiral Skrydloff sacred linage of St. Alexander Neveky,

the patron saint of St. Patersburg, and dolivered an address, saying the faithful members of the orthodox church would pray the Almighty to protect the admiral against every danger and give him victory. The admiral was sprinkled with water from the miraculous spring of St. Scraphim the Hermit of Saroff, whose recent canonization was attended by the czar and czarina. Amulets were also handed to the admiral and he was presented with an ikon containing relics dating from the thirteenth

century. The departure of the admiral's train was marked by a great demonstration.

eneath a merry exterior Admiral Skry dloff is intensely religious. He went this morning to the chanel in Peter The Great's house and passed a whole hour in prayer. The admiral is going to stop at Moscow and pray at St. Sergius' monastery.

DETAILS OF THE YALL OPERATIONS

Russians Faced Possibility of Crossing at Score of Places.

ST. PETERSBURG, April 28.-Disappoint ment prevails in St. Petersburg that no official dispatches giving details of the operations on the Yalu river and of which the press dispatches are so meager as to becloud rather than enlighten the people, who are hourly awaiting news. The Associated Press has obtained from the general staff the following clear statement of

and three reserves brigades. The total for strength is stored of their armies and three reserves brigades. The total for strength is stored to prevent their crossing. The strength of the river are inferior in strength or strength is composed of three divisions and of the river are inferior in strength or strength is stored to prevent their crossing. The strength of the river are inferior in strength or strength of the strength of the river are inferior in strength or strength of the river are inferior in strength or strength or strength or strength of the river are only two instances in history where an army was unable to cross in fiver-that of Napoleon at Amperer and this resear. night. The house disagreed to the senate amendments to the military academy bill, and asked for a conference.

Notwithstanding the early hour of convening the galleries rapidly filled, the ocsupants expecting a recurrence of the stormy scenes of yesterday.

Many conference reports on bills of minor character were disposed of. Bills were passed:

To regulate the disposal of public lands e-leased and excluded from public forest ILLINOIS re-leased and excluded from public forest reservations. " To establish a life saving station at or near the entrance to Tillamook bay, Oregon. Ratifying and confirming the present right of way of the Oshu Railway and Land company through the military reservation of Kahauika, Hawail.

Mr. Hemmenway called up the conference report on the general deficiency bill.

The report was unanimously adopted and MISSOURI FLOOD DRIVES PEOPLE OUT the house then proceeded to the considera-

tion of the conference report on the sundry civil appropriation bill,

Following a brief explanation of the bill by Mr. Hemenway, in charge of it, Mr. DeArmond (Mo.) attacked the provision

for the proposed new building for the use

Under the beneficient administration of republican presidents the union became consolidated into one nation, and in the became consolidated into one nation, and in the possing, the party of the world have been passing, the party of the world have been passing, the party of the world have been passing, the party of the world have been more modest building, with modest furnish-ings. The report was adopted, 138 to 129. The report was adopted, 138 to 129. Mr. Overstreet called up the conference report on the postoffice appropriation bill and the good of mankind. I believe I voice the judgment both of the people and our administration when I say they are for paace with all the nations and are not in favor of a policy of aggression in order to secure expansion of territory in any direction. A word about our president and secretary of state. In guarding and caring for the travents of the people and court president and secretary of state. RULES FOR WAR CORRESPONDENTS nines amount to about \$7,500 per month

Must Have Governmental Credentials and Promise to Be Circumspect.

PORT ARTHUR, April 27 .- The regulations to be observed by war correspondents with the Russian army were published in today's issue of the Novi-Kral. Correspondents of foreign newspapers must have credentials from their governments to the Russian foreign office and every correspondent must promise in writing not to divulge secret despatches or criticise the orders of those in command, and must similarly agree to give a true account of events and avoid irresponsible reports. They are warned that in the event of infraction of these regulations, indiscretion, or want of that they will be sent home.

All correspondents are absolutely pro-hibited from visiting the admiralty dock, work shops or naval establishments or from using boats in the harbors on roadsteads of Port Arthur or Viadivostok. Correspondents must undertake not to

ask that exceptions be made in their favor and on arriving at the front must report The crossing of the Yalu river by the to headquarters with their credentials and Japanese forces did not impress the Rusan authenticated photograph.

The headquarters staff will then assign suing Japanese reverses. These reports bedents to the various staffs or came more persistent at noon and caused districts. The rest will depend on the staffs an all-round rise in prices on the bourse. concerned. Correspondents will be held but, so far, there has been no confirmation responsible for their servants. Before they of them officially. can stay at any fort the consent of the commander must be obtained.

Quiet at Port Arthur.

Correspondents are required to wear PORT ARTHUR, April 27.-The situation distinguishing badge on the left arm. Code here and in this vicinity today is unmessages are prohibited. All messages changed. The successful trials of the subwill be censored at headquarters by the marine boats here are regarded by the staffs of the Manchurian and Amur armies, by the administration of the various milltary districts and at Harbin by the govsian fiest.

CONFER ON ADJOURSMENT TODAY

Republican Steering Committee Distector, which has been laid up here for the cusses What Must Be Done. winter, was launched today and sailed for

WASHINGTON, April 27.-Legislation which now stands in the way of adjournment tomorrow and the weight these matters will be permitted to have on the program for concluding the session at that time were taken up today at a meetslans, in view of the reports of the en. ing of the republican steering committee of the senate. The Panama canal bill was placed above all other measures and it was agreed that some legislation must be had before adjournment. An informal report was received from the senate conferees to the effect that no report is in

sight. The house amendment to the Kittredge bill places the entire matter of control of the canal zone in the hands of the president to make regulations to govern the strip until the next session of con-Novia Krai as opening fresh prospects for gress, while the Kittredge bill goes exactive operations on the part of the Rus- tensively to the questions of law for the

isthmus in a manner that is said to be satisfactory to the administration. Following the meeting of the steering committee, Senator Lodge, on the floor of the senate, served notice that there could and Williams of Mississippi in the house be no adjournment until some legislation s enacted for the canal zone. Senator

Gallinger announced that at the first opportunity he would move for an executive session. He has in charge the nomination personalities such as characterized the of W. D. Crum to be collector of the port of Charleston, S. C., and will ask for confirmation. The Crum nomination was discussed in the session of the steering committee, and it was agreed that if ran and by name called on several of the by any chance the conference on the canal bill should delay adjournment the Crum house to answer "yes" or "no" whether mae will be pressed in the senate. The they approved Mr. Cockran's tariff views conferees on the canal bill have hoped, and whether they intended going before however, that they will be able to report

House and Senate Finally Reach Con-

deficiency appropriation bill adopted today the important senate amendments were: Appropriating \$5,000 for medals to commemorate the birth of Bentamin Franklin; appropriating \$30,000 for a special assistant attorney general in an investigation and prosecution of certain frauds in the customs service extending for two years the time for filing claims for property taken from confederate officers and oldiers appropriating \$3,500 for the model of the capitol at the Louisiana purchase exposition; appropriating \$10,000 for testing of timber at the Louisiana purchase expositon., and \$5,000 for the expenses of the oint committee of congress to represent ongress at the opening of the exposition. The agreement eliminates the appropriation of \$475,198 for the state of Missouri and authorizes the accounting officers of treasury to reopen and reaudit the claims appropriating \$50,074 for the state of
