

AFFAIRS AT SOUTH OMAHA

Designs' Chosen Line for Run; Proposed Mud Creek Sewer.

ENGINEERS KING AND BEAL MAKE REPORT

Cost of Project Estimated at One Hundred and Sixty Thousand Dollars—Mayor Has the Report.

connection with the suits now pending against the city of South Omaha in relation to the abating of the Mud Creek sewer nuisance, W. B. King, chief engineer of the Union Stock Yards company, and Herman Beal, city engineer, have submitted a report to Mayor Koutsky. This report says: "In our opinion the best place to locate this sewer would be to follow the line of the Union Pacific railroad to the county line, thence east along the line to a point about 150 feet east of Thirteenth street, thence in a northeast direction down a ravine to the west line of the right-of-way of the Burlington road and thence east to the Missouri river."

The total length of the sewer as proposed will be 2,700 feet in length. The engineers calculated and recommended an eight-foot circular sewer. A sewer as described will take care of all the drainage now taken care of by Mud Creek. Including the right-of-way and engineering the total cost of this sewer will be \$150,000.

A portion of the land through which the lines are laid is owned by the Union Stock Yards company. It is asserted by the engineers that if the consent of the stock yards company can be obtained to run the sewer through this land, at least \$300 of the total cost can be saved. Mayor Koutsky has this report and will present it to the city council Monday night.

While under the present laws the city cannot vote more than \$50,000 for sewers, it is thought this law can be changed by the next legislature in order to allow this work to go on. It is understood the Union Stock Yards company and the packers are willing to subscribe a certain amount, so that the city will be compelled to pay only about one-half of the cost of this sewer.

The City's Bonded Debt.

At present the general indebtedness of the city of South Omaha amounts to \$410,000. This of course includes the refunding bonds issued for special improvement districts created years ago. There is still an outstanding district debt of \$35,000 which has never been attached in the courts. It is expected this sum will soon be added to the general indebtedness of the city. Most of the general bonds are drawn at 4 per cent interest, but some of the old time district bonds still draw 6 per cent. These are being taken up as rapidly as possible and the rate of interest reduced.

Mrs. Sanford's Funeral.

Funeral services over the remains of Mrs. C. R. Sanford were held at St. Clement's mission yesterday afternoon. Rev. James Wise officiated. Members of the Eastern Star had charge of the funeral. The floral offerings were numerous and completely covered the casket. Interment was at Laurel Hill cemetery. The pallbearers were John F. Schmitt, William McCraith, Walter J. State, A. V. Miller, J. C. Buchanan and B. E. Wilcox.

Resisting Signboards.

L. A. Scott, city billposter, has had a number of ancient and decrepit signboards taken down. Mr. Scott says he is making an inspection of all of the billboards in the city and proposes to have the boards erected now, or to be erected later, conform to the city ordinance. The tearing down of some of the old billboards is to prevent accidents in case of a high wind, since Mr. Scott was appointed city billposter quite a number of charges in the posting of bills have been made.

Special Council Meeting.

A called meeting of the city council was held yesterday afternoon for the purpose of listening to the reading of an ordinance amending the hucksters' and peddlers' ordinance. For years hucksters have been permitted to secure licenses for the sale of goods in the city and peddlers have been allowed to sell their wares from door to door. The ordinance is amended so that a license must be taken out for twelve months. All hucksters' and peddlers' licenses expire on May 1. On account of the new ordinance pending the city treasurer and the clerk were directed by the council not to accept any money for license of this nature until after the passage of the ordinance.

Thursday afternoon and evening Mrs. L.

C. Gibson and Mrs. Edward Munnish entertained a large party of friends at the residence of Mrs. Gibson, Twenty-third and I streets. In the afternoon a luncheon was served to about fifty invited guests. The rooms were decorated with palms and cut flowers and an orchestra furnished music. Twenty couples competed at whist in the evening. Colonel A. L. Lott and Mrs. W. S. King scored highest. Mrs. R. E. Wilcox and Al Powell carried off the booty prizes.

City Clerk's Statement.

City Clerk Gillin has prepared a statement showing the financial condition of the city at the close of business last night. From all sources the city received \$166,603. Of this amount there had been drawn up to May 1 the sum of \$108,773. This leaves a balance in the various funds of \$57,830. The balance sheet shows that there is not a deficit in any of the funds. There is less than \$4 in the judgment fund, but all of the other funds will contain enough money to carry the city through until the 1904 levy is available.

Meeting of Teachers.

The last general teachers' meeting of the school year was held yesterday forenoon at the high school building. Papers were read by Miss Annie C. Rush, Miss Marie Schibbey and Miss Elizabeth T. Hayes. For a conclusion of the season of teachers' meetings, Superintendent McLean talked for some time on "General Suggestions." The meeting was attended by nearly every teacher in the city.

Thirty Licenses Granted.

A meeting of the Fire and Police board was held last night and thirty liquor licenses were granted. The list follows: John Wrede, 1102 North Twenty-fourth street; John Raab, 2501 N. Frank Laitner, 132 North Twenty-sixth; Louis Lundin, Twentieth and Missouri; Anton Olawick, Thirty-sixth and W; Gus Hedgren, 25 North Twenty-seventh; P. J. Martin, 610 North Twenty-fourth; Thomas P. Condon, 325 1/2 St. Schmitts Brewing Co., 324 North Twenty-seventh; John Kawalski, Thirty-third and L; Joseph Debelak, 378 Q; J. A. Cithe, Twenty-fourth and U; James Harold, L and Boulevard; P. Karzato, 2019 S; E. Lutes, 2812 L; John N. Burke, 3355 S; J. G. Vossack, Twenty-first and S. W. F. Weber, 3709 Q; G. W. Tierney, 2639 N. Anthony; Blanche, 223 Q; W. F. Elliott, 3901 Q; Gottlieb Kurts, 21 North Twenty-sixth; E. A. Higgins, 224 North Twenty-fourth; C. F. Weymuller, 2812 N; John Zeitberger, 3801 Q; Fred Rump, 3001 Q; Lawrence Connor, 3311 Q; J. Klein, 2534 N; William Jetter, Railroad avenue and Madison.

In making a statement to those present who are interested in the granting of liquor licenses Chairman Mason said that up to date sixty licenses had been granted. About two dozen applications have not been acted upon yet, but will be on Tuesday night when the board meets again. In explaining the position of the board the chairman said that where good faith had been shown and the regular fee paid into the city treasurer the saloons not having been granted a license will be permitted to keep open. After the regular meeting there was an executive session and the chief of police was directed to close certain saloons today where the board does not feel inclined to grant licenses until after there has been a hearing of protests.

Makes a Holiday of Monday

"Without putting blind faith in the official contradiction it is difficult to admit, as the chief Japanese commander, too, often seeks to make it believe, that with the new engines of destruction and the arms of precision used by the two armies facing each other an engagement of several hours could have taken place by sea or land without a vessel or a man being seriously touched on the side of the Japanese while their opponents were so severely handled."

Clever work on the part of the anti-Bryan people, who controlled the committee, has resulted in a slight scalp wound. The police surgeon who attended her said the trouble was suspicious. Mrs. Belander told the surgeons that she had been suffering from a headache for two days and was annoyed by the action of her husband who did not seem to take any interest in her condition and she was under the impression that he no longer loved her. When 13 years old she received a wound in the head which she says may have some bearing on her present condition.

SUCCESS PAINED BY LOYAL

One Democratic League Surprised that the Other Could Talk Like That.

The unanimous sentiment of the Democratic Success League at its meeting Saturday evening was a feeling of pained surprise that the Loyal league could be so rude. Several of the men prominent in the organization said they thought it was wrong of the other side to do it, and why they had been looking for peace with a thorough preparation as old Diogenes, they had not found it, and as the other side had seen fit to throw down the mit, they could in reason only adopt the measure of self-defense.

Two Changes Are Made.

Fred H. Congrove was substituted as committeeman in place of Mark W. Patne in the Ninth ward because of the death of the latter. John Hart in Dundee in place of H. G. Munn, who has changed his residence to South Omaha. The call, which also provides for the selection of a new central committee, says: The basis of representation in said convention shall be as follows: Each ward in the city of Omaha and South Omaha, and each precinct of Douglas county shall elect three delegates to the convention, one additional delegate for every seventy-five voters in excess of the first hundred cast for supreme court judge at the general election held in November, 1902.

Polling places were selected as follows: First ward, Tenth and Hickory; Second ward, Fourteenth and William; Third ward, 215 South Twelfth; Fourth ward, Seventeenth and Farnam; Fifth ward, 234 Sherman avenue; Sixth ward, Idlewild hall; Seventh ward, 232 Dorcas; Eighth ward, Twentieth and Cuming; Ninth ward, Twentieth and Farnam; South Omaha: First ward, Twentieth and L; Second ward, Twenty-first and S; Third ward, Thirty-fourth and U; Fourth ward, Thirtieth and Q; Fifth ward, Thirty-seventh and Q; Sixth ward, 2823 J street.

PROGRAM OF THE DENTISTS

Eighteen Papers and Forty Clinics for State Meeting in Omaha This Month.

The list of papers to be read and clinics to be given before the state meeting of the Nebraska Dental association has been arranged by John Shannon, president, A. Gaiser, vice president, and H. R. Hatfield, corresponding secretary of the association. An interesting program of eighteen papers and forty clinics has been arranged and it is believed the forthcoming session of dentists will be a notable one. The meeting will be for three days, May 11, 12 and 13. Millard hotel will be the headquarters. The day sessions are to be held at the Omaha college, while the evening and social gatherings will be held at the hotel.

Chamberlain's Cough Remedy, the Best Made.

"In my opinion, Chamberlain's Cough Remedy is the best made for colds," says Mrs. Cora Walker of Porterville, Cal. There is no doubt about its being the best. No other remedy will cure a cold so quickly. No other is so sure a preventive of pneumonia. No other is so pleasant and safe to take. These are good reasons why it should be preferred to any other. The fact is that few people are satisfied with any other after having once used this remedy.

MAY FAVOR SUNDAY BASE BALL

New York Judge intimates that Brooklyn Can Enjoy the National Game.

MAY FAVOR SUNDAY BASE BALL

NEW YORK, May 1.—Supreme Court Justice Gaylor at Brooklyn has indicated from the bench in the habeas corpus proceedings brought by Bernard J. York, a lawyer, that he probably would decide in favor of Sunday base ball in Brooklyn in the near future. York obtained a writ of habeas corpus in connection with the arrest of three base ball players and three program sellers at Washington park, Brooklyn, last Sunday. During the argument yesterday York stated that it would be his purpose to threaten that the question of the Sabbath peace as affected by Sunday base ball, whereupon Judge Gaylor said: "It is not shown here that any one's religious feelings were injured by the games already held in Brooklyn. This must be shown, as well as complaint from persons living in the vicinity of the ball grounds." Judge Gaylor discharged the ball which had been required from the ball players, declaring it entirely unnecessary, and paroled the men. He expressed himself vigorously against the action of the police, saying that they had no business to interfere in the case.
