Health boards and careless physicians are responsible in a large measure for epidemics of typhoid, said Dr. S. R. Towne of Omaha, who read a paper on "Review of Recent Typhoid Epidemics and Their Lessons" before the Nebraska State Medical Association.

DEBATING STOPOVER MATTER

Western Passenger Association Confronted by Objection of Benning Scaplers. The Western Passenger association has for some time had up the question of allowing stop-overs in Omaha on tickets sold to the World's fair from points west of this city.

Chicago has been making a hard fight for the privilege on tickets sold from points east of that place, but it is said there is little hope of the city on the latter winning out. The scalper question seems to be the objection there as here.
