ANNOUNCEMENT

We beg to announce that at the solicitation of numerous customers we have decided to open a DEPOSITOR'S ACCOUNT

This is a new feature which will enable our customers to have all the convenience of a credit system with all the economy of a cash store.

YOU MAY DEPOSIT as little money as you please to open a deposit account and purchases can be charged against this account-but at no time can these accounts be overdrawn.

WE WILL PAY 4 PER CENT INTEREST annually on these deposit accounts, compounding the interest every January, April, July and October-so every penny and every dollar earns interest for you daily until spent or withdrawn.

OUR DEPOSIT ACCOUNT DEPARTMENT is not a banking business in any particular. It is only for the payment of purchases made in this store and for the convenience of those who may wish to take advantage of it. There is no drawing of checks; you can take your money out at a moment's notice.

We SELL ONLY FOR CASH-the man who pays his bills does not make up for bad debts by higher prices—he is not called upon to pay for expensive machinery of a credit department.

We therefore believe that this new system will fulfill all the requirements of our increasing business which we modestly claim to be conducted on a high plane of efficiency, ever ready, however, to improve upon it at every opportunity.

Come in and investigate this plan more fully.
