PRESBYTERIANS AT MOBILE Creditable Reports Show Various Church Departments Are in a

Flourishing Condition.

MOBILE, Ala., May 20 .- Several reports which will be taken up later were today given out at the general assembly of the socuring signatures of the residents and Presbyterian church in America. The owners of property on this portion of executive committee on ministerial relief Broadway. The petition asks for the pav- reported that there have been upon the roll ing of a strip thirty-six feet in width, this for the particular names of 162 beneficiaries being deemed sufficient, and for the curb--forty-three ministers and 106 widows and thirteen orphans. The treasurer's books

can be paved this year the remaining part credits of the preceding year and an increase of \$9,237 over the average annual receipts, not including legacies under the old regime, known as the invalid fund.

The credits to the endowment fund aggregate \$21,052, being an increase during the

year of \$13,705. The total amount on hand for both funds was \$40,555, which is an inmorning Prof. J. C. Grason of the faculty crease of \$16,463 over the funds in hand addressed the students on the subject, during the preceding year. The executive committee on home missions reported that tory of the growth of the national con- the third year of the present administration closes the most successful in all the hisceeded last year's by \$28,295.

> ASSEMBLY BUFFALO AT Presbyterian Delegates Spend Large

Share of Time Listening to Various Reports.

BUFFALO, N. Y., May 20 .- At today's session of the general assembly of the Pres-byterian church in the United States, re- June 1. employes now out will be back at work

permanent organizations: Board of Home Missions, Board of Foreign Missions, Board of Education, Board of Publication and Sunday School Work, Board of Church

of Freedmen, Board of Ald for Colleges and Academies, a committée on temper-ance, committée on systematic beneficence.

Reports were also received from a number of special committees, including the following: Religious conditions in state universities. Christian work among seamen.

that Dr. Warren paid the substitute \$1.000 wealthy banker and merchant of Richards. for doing the drudgery of the college work. a village twelve miles northwest of Nevada Just how and why all this was done is not explained, but the state board asked, Dr. Warren to appear and clear up the matter.

# State Geologist Besigns.

The news comes from lows City to the ogist, has resigned, or will soon tender his resignation, that he may engage in private business enterprises. He has filled a chair at the State university many years and also served as state poplogist. Frank A. fell from his horse unconscious and died Wilder of North Dakota will be his suc-COSSOT

Commencement at Nurse School. Prof. B. E. Shepperd of this city re-turned today from Clarinda, where he addressed the graduating class of the nurses' hours before the shooting, but friends school in connection with the state hospiseparated them. Wall's estate is valued at tal for the insane. Judge Kinne of the \$150,000. state board also returned from a visit to the hospital and reports that the number of patients is steadily increasing and that there are 966 there now.

### Death of Judge Rawson.

Judge Alonzo Rawson of this city died today. He was only 30 years old, but had been judge of the United States court in Alaska and had a great deal to do with bringing to justice some of those who were concerned in the mining frauds a few years ago. He had been a resident of Seattle and his relatives live there now. There was filed with the secretary of state today the articles of incorporation of the Farmers' Co-operative Telephone company of Van Buren county, capital \$10,000, J. W. Batchelor of Bentonsport, president.

## Bootors Approve Change.

The State Medical association today dedded upon adhering to the new form of organization which was recommended and adopted last year. The "house of delegates," which represents the county societies and is the business body, is at work perfecting the plan and will make some minor changes, but in general the association approved the new plan and will not go back to the old system, as advocated by some of the members from the eastern part of the state.

Insane Man Released.

Thomas J. Clark of Walnut, the man who threatened the life of Congressman Walter I. Smith by letters and telegrams, has been allowed to go free by Judge Smith McPherson during his good behavior. Clark changed his plea of not guilty to one of guilty and the court in addressing Clark told him some of his friends quesvention in an instructive and interesting closes the most successful in all the his-marner. Colonel W. J. Davenport and tory of the church. The contributions ex-be any further trouble he would be sent tioned his sanity and that if there should either to the insune asylum or to the penitentiary.

### End of Labor War.

Seven hundred carponters, shut out since May 1, returned to work today, all differences having been settled. The mill men have just about adjusted their difficultie and will probably return to work net week. It is believed the end of the b labor war is now in sight and that
