HAVE NO TROUBLE IN WINNING THE GAME

Dolan Stars at Bat, with Three Hits Out of Four Times Up-Same Teams Will Play Again Today.

After two or three days of rather indifferent ball playing Pa Rourke's men yesterday girded up their loins and put the much-vaunted Millionaires from Colorado Springs to the bad at a clip that made them look like the fag end of a hard winter. Omaha outplayed the visitors at every

Dusty Coons, who at one time had the honor to call Omaha his stamping ground, was on the slab for the visitors and was batted hard and often, with the result that Omaha pfled up runs in the first, fourth, Ifth and seventh innings until it had seven. The Springs got two in the fourth on a single and two three-baggers and a rank decision of Umpire Keefe's in the ninth added another to the list, making them a total of three.

Carter cut the pace in the very first by hitting to left field for a base. Howard Philadelphia promptly did the same act and both moved up a notch while Miller sacrificed them along a peg. Congalton pulled a long one down from Welch's bat in right field and then Joey Dolan stepped into the breach and lammed the leather out to left along the third base line. Carter had come home on Welch's long fly and Howard, who had gone to third during the same interval, slipped in with another run on Dolan's Thomas died via the fly line to center

neld, retiring the side. Weich was the first man up in the fourth and accepted some enthusiastic fan's invitation to hit it in the eye. It was good for three of the sawdust cushions and then Dolan, who hadn't made a hit this inning yet, for no reason except that he hadn't been to bat, gave it a swat out to the center pasture and Harry got over the rubber with another of the earned kind of runs. Dolan died at second through Thomas' trying to sacrifice and hitting into Coons' hands. Shipke went out from short and then Graham muffed Gonding's high fly, scoring Thomas. The run m the fifth was made on singles by Howard and Welch and a nice timely error by the visiting third Three singles and a base on were responsible for the two runs of the seventh inning.

The feature of the game was a grandstand catch of Graham's fly by Dolan in the seventh and the sending of the same to Howard in time to double Coons. Dolan's rame, by the way, was gilt-edged all the oute, notwithstanding his fumble of Nill's sizzling grounder into his territory. In adlition to his other little acts Joe found time to make three hits out of four times nt bat while the fourth try was a fielder's In fact, every man was looking for it in the right direction throughout McCarthy was touched up for twelve hits, one more than Coons, but he kept them scattered, and was given superb

Would Open Up the Markets of the World to the United States.

NEW YORK, May 24.-The Merchants' Marine commission, appointed by the last congress to inquire into the causes of the decline of American shipping and suggest remedial measures as a basis of legislation, continued its hearing today.

William G. Sewall, representing the firm of Arthur Sewall & Co. of Bath, Me., which has built some of the largest sail cargo carriers in the world for the foreign trade, said that his yard, which was established in 1823, has been closed during the last year because of duliness in the shipbuild-

ing industry. H said he had no faith in free ships, that it is a distinctly un-American measure. Discriminating duties he did not favor entirely. Some bill granting a bounty on some mail subsidy, would be the best form. It must, however, be liberal. Standardization is not the only trouble, continued the
