Association of Nebraska Opens Its Eleventh Convention.

TOURNAMENT AT VINTON STREET PARK

Large Attendance is Anticipated and Demonstrations Are to Continue Until Sunday Night at Turner Hall.

The eleventh annual meeting of the Bohemian Athletic Association of Nebraska began at the new Bohemian Turner hall on South Thirteenth street, near Dorcas, last night.

Turner or "Tel Ted Sokol" hall has been very prettily and artistically decorated for the occasion.

Judges and Clerks.

The business meeting was devoted to preliminary organization and arrangements for the tournament.

In addition to electing the officers of the games, the program was arranged and the out-of-town members of the society given a chance to renew acquaintances with their Omaha friends.

The condition of the weather has caused the postponement of the high school cadet encampment from next week to that beginning June 13.

The streets on which the Turners are, are gay with the national emblem and the red and white of the society.

The tournament proper will begin this morning and will comprise a series of athletic exercises by the different divisions which include first, the division of men, a second division of men, third division of children or of boys not above 14 years of age.

CONNOLLY AND BUTLER TO GO

Marked for Removal from Legislative Ticket Named by Democrats.

PLANS FOR REARRANGEMENT INDEFINITE

Chairman Wyatt of County Committee Will Call Meeting Next Week to Act Upon the Matter.

Proposed changes in the democratic legislative ticket will be discussed and possibly made at a meeting of the county committee which Chairman W. A. Wyatt will call next week.

The county committee meeting is partly for the purpose of organizing for the campaign and planning for the work to be done. The charges of fraud in the South Omaha primaries also are to come up for discussion and the factions entitled to name the committeemen from three disputed wards designated, the fight over credentials having been passed over to the committee by the county convention.

As announced in The Bee, Frank J. Burkley has declared since the convention he will not be a candidate for the state senate. The same was reported with regard to George T. Morton, nominee for the legislature, but Mr. Morton says now he has declined to accept the nomination and to the contrary thinks he shall run.

Besides Burkley and Morton, the other names mentioned as likely to drop out or to be forced out are James P. Connolly and Joseph Butler.

It is by no means certain that the legislative ticket will not stand as amended, and while some of the men named may decline to run, yet it is by no means clear who will leave the ticket or who will be put in their places. It is always difficult to get good men to try for the legislature, as election means a personal sacrifice to most of them. I am confident, however, that some of the best men put up by the democrats who are said to be disinclined to make the race can be induced to run.

Nothing definite or official will be done until the meeting of the county committee, which I shall call for next week, and it may require several meetings before the question is settled finally one way or the other.
