SILVER WEDDING OF KAISER Germans Propose to Raise Million

(Copyright, 1904, by Press Publishing Co.) BERLIN, June 4 .-- (New York World Cablegram-Special Telegram.)-Loyal subjects are raising \$1,250,000 for a silver wedding gift to Emperor William and Empress Augusta. The twenty-fifth anniversary of their marriage does not come until the 27th of next February, but the promoters

of the scheme deemed it wise to start subscriptions now. The money will be put into a variety of things which it is thought their majesties will appreciate. The following items will consume the most of the money: Decoration of the Kalser Wilhelm Memorial church with mosaics; the building of a

memorial church to the late Empress Augusta; the building of a convalescent home on the Mount of Olives near Jerusalem the purchase of a building as a convalescent home for sick officers of the army

and the navy. Another present will probably be silver nodels of the leading types of the ships which have belonged to the German navy since the time of the great elector, to be arranged on shelves in the emperor's work-
