Denver Has Two Hits and Three Runs to the Good-Howard, Shipke and Hartzell Contribute Some Sensational Fielding.

DENVER, Colo., June 7 .- (Special Telegram.)-Companion had all kinds of slants oday and had the Denver batters jumping n four different ways at a time, but to his wildness may be put down the loss of the game for Omaha. Hostetter dealt out a puzzling variety, but was as steady as a clock. The game, witnessed by a small crowd of the faithful, was one of the fastest ever seen here. The fielding of Howard and Shipke for the visitors and Hartzell for the locals was of the sensation

Denver's batamen procured a total of seven hits off the twirlers for the visitors. while Rourke's men walloped the leather for a total of five, not being able to score a single run however. Hayes for the locals walked away with the batting honors, having secured two clean ones. McHale and Freeze, the former for the locals and the latter for the visitors, showed up well with the willow. Semi-finals and Play Today.

Semi-finals in the Omaha Field club tennis tournament was played yesterday afternoon and the finals lie between Young and Chase. Young in playing D. Pollard yesterday repeated his performance of the day before by allowing his opponent to get the better of him at the commencement.

In fact, he was rather worse than he was with Towle, losing the first set 4-6. But the terrible pace he set apparently fired out Pollard, for he won the next two sets 5-0 and 6-2. And this with a handicap of 5 is and half 15 with Pollard at scratch.

In the match between Chase and Collett, the former won easily, beating Collett 6-3, 6-4. Collett played a snappy game, but was unable to cope with the curve in Chase's serve.

Tomorrow afternoon the last match of the series will be played and promises to the a most interesting one. Each of the players had a distinct style of playing, entirely different from each other. Young believes in the truly British play of swift burners with hard volleying, while Chase attempts more of the fancy game, sending in twisters and scorchers that require delicate handling.

In Monday's issue of The Bee it was stated that Wood lost to Neville in the consolation. This was later found to be incorrect, Wood winning from Neville 6-1, 5-7, 7-5. Totals..... 2 4 27 12 2 Totals..... 0 6 27 13 5 Minneapolis 0 0 0 0 1 0 0 1 0-2 Columbus 0 0 0 0 0 0 0 0 0-0

BEATRICE, Neb., June 7.—(Special.)—
The game of ball played at Wymore Sunday afternoon between the Wymore and Crete teams was stopped by Sheriff Trude, of this city, who was called there on a complaint sworn out by Rev. Mr. Parker, who has for some time objected to Sunday games being pulled off in that city. The matter was compromised by the Wymore team agreeing not to schedule any more Sunday games. The game was allowed to go on, resulting in a victory for Wymore by a score of 6 to 5. Object to Sunday Ball.

Consider Water Works Reports. ST. LOUIS, June 4—Consideration of the annual reports of the general officers occupied the attention of the delegates to the twenty-fourth annual convention of the twenty-fourth annual convention of the American Water Works' association for the greater part of today's session. After the business meeting the delegates visited the World's fair grounds, where they were entertained at the International Irieh exhibition.

SUMMER RHEUMATISM 2 The idea that Rheumatism is ctrictly a

winter disease, that comes from exposure or cold, is wrong; a spell of indigestion, torpidity of the liver, inactive state of the kidneys, or sudden cooling of the body when over-heated, being frequent causes of an attack. Rheumatism is due to an over-acid condition of the blood and bad circulation. As it flows through the body the blood deposits an acrid corrosive sediment in the joints and muscles, and the NO USE FOR CRUTCHES. circulation grows sluggish

because of the constant accunulation of acid impurities, and when the system is in such condition Rheumatism is in such condition Rheumatism is in liable to come out at any time, winter or summer. It is hastened and provoked by exposure to cold, damp air sudden the condition of the condition

sure to cold, damp air, sudden cooling of the body when over-

heated, a bad spell of indigestion, or anything that is calculated to further derange and depress the system; but these are only exciting and not the real cause of Rheumatism. It is in the blood, and when this vital fluid becomes overcharged with the acid impurities and is running riot in the veins, an attack is sure to come, whether in summer time or the cold, bleak days of winter. You are a slave to pain as long as the blood is tainted with acid and a cess-pool for all the bodily impurities. Liniments and plasters are helpful and useful, but it takes something more than rubbing and blistering to drive away this demon of pain. S. S. S. goes to the

seat of the trouble, enters the circulation, neutralizes and filters out of the blood the acid poisons. It enriches and strengthens the weak, diseased blood; the general health improves under its tonic effect, and when rich, pure blood begins to sirculate through the stiff joints and sore, tender muscles, pains and aches vanish, and the longed-for relief comes to the nervous, pain-tortured sufferers. S. S. S. contains no minerals, but is guaranteed purely vegetable. Write us if in need of medical advice, which is given without charge.

Our book on Rheumatism, telling of the different forms and varieties of this pain-racking disease, is mailed free.
