

OMAHA HITS MORRISON HARD

Bats Des Moines Pitcher All Around Vinton Street Park.

FOURTEEN HITS FOR TWENTY BASES

Pfeister Holds the Hawkeyes Safe at All Stages and Gets Very Good Support from His Mates.

Acting under the inspiration of being on their home grounds and within the vicinity of at least a thousand of their friends looking at them, Kourk's ball players fairly slaughtered the men from Des Moines on the Vinton street grounds yesterday afternoon.

The game started with a rush on the part of both teams. Dolan's fumble of the first ball batted left Thiel had his base for a minute, only to be thrown out from Gending to Dolan a moment later when he attempted to pifer the second cushion.

Omaha won in first. Carter and Howard went out the first end for Omaha and then Miller cut loose with a fast one down the first base line.

Good snappy work on Omaha's part and as an exhibit of pitching as has been seen here or anywhere else for a long time kept the visitors from scoring another run, though on two occasions the bases were filled.

some of you, as they certainly were to me until I read a little book recently put forth by Mr. Hosmer, one of our neighbors in Minnesota.

It is alleged in the application for the writ that the company has not complied with the laws of the state and that the state auditor, who is the head of the department of insurance of the state, is unlawfully using his office to further the interests of the company.

"Within the year the last remnant of Louisiana Territory has been erected into the state of Oklahoma and adopted into the union. There is not a spot within our territory so remote that it is more accessible from any point of the compass than were the extremes of New York and Pennsylvania in 1802; there is scarcely a town or hamlet that is not within 'bellying' distance of the capital at Washington.
