Grand Island is Generous. GRAND ISLAND, Neb., June 13.-(Special).-The Hastings ball team came over gesterday and played a game with the Grand Island team before a crowd of 700 people. The game was an even one, the result being 8 to 7, with one man out for Grand Island in the last half of the ninth. A decision by the umpire was very much questioned by the Hastings players and it was conceded by some of the local players that Hastings had ground for the objec-tion, though the scores of three men de-volved upon the decision, a hot drive along the left border being declared a foul. Man-ager Schuff of the locals took the um-pire's place, reversed the decision, gave Hastings the three runs and completed the game to the satisfaction of all. Greeley Center will play at Grand Island next Wednesdy and it will be laddes' day.
