Hospitals Failed. Here is another of those remarkable cures of torturing, disfiguring skin humors dally made by Cutlcura Resolvent, assisted by Cuticura Ointment and Soap, after physicians, hospitals and all else had failed. " I feel it my duty to try to help those

suffering from skin diseases. My case was a very bad one, covering all of one side of my face and hud reached my eve. I had two or three doctors prescribe without any relief. They said my disease was Epithelloma. I was then advised to go to one of our hospit is, which I did, taking their treat-ment for some time. I had given up all hope when my husband asked me to try the Cuticura Remedies. My face being in such a very bad state, I used the Cuticura Soap with luke-warm water and a small slik sponge and then applied the Cuticora Ointment. I took one teaspoonful of the Resolvent four times a day. They acted like a charm, and in one week's time my face was cured entirely and has remained so. I certainly can recommend the Cutlcura Remedies as infallible."

MRS. A. G. SMITH, 2400 Catharine St. Feb. 9, 1903. Philadelphia.
