Russian Protected Cruiser Novik Steams Out to Sea and Engages with Vessels of Japanese Blockading Fleet.

LONDON, June 15.—A dispatch to the Central News from Tokio filed at 6 p. m. today says:

A dispatch just received from Moji says the cannonading at sea stopped at 1 p. m. There was a heavy sea in the straits all day. Ten Japanese merchant steamers are known to have left various ports for Moji. It is rumored tonight that the Russian warships have gone eastward.

LONDON, June 15.—A dispatch to the Central News from Tokio, filed this (Wednesday) afternoon, says a naval engagement is now in progress off Tsushima island, in the Korean straits, between three Russian cruisers, which escaped from Vladivostok, and a number of Japanese ships.

No details have yet been received. The Central News' dispatch adds that the Vladivostok squadron was first reported June 14 from Okinawa island off Kioto, Japan, in the sea of Japan. Later in the day cannonading was heard northwest of Nagato (on the Japanese coast, in the straits of Corea).

The captain of a Japanese merchant ship reports this morning that his ship was fired upon by a Russian warship. Heavy cannonading was heard early this morning in the neighborhood of Okinawa, and subsequently came news of the engagement already referred to in the Tokio dispatch.

NAGASAKI, June 15.—A Russian naval squadron was lately sighted off Kushikima Ken and Yamaguchi Ken and sounds of firing, it is stated, were heard yesterday off Okinawa.

Port Arthur Channel Clear. TOKIO, June 15.—The entrance to the harbor at Port Arthur, having been cleared of obstructions, is now open to the passage of ships in and out. Yesterday the Russian protected cruiser Novik steamed out to sea and engaged with vessels of the Japanese blockading fleet.

Private advices have been received here from Katsunuma, a town at the north end of Okinawa in Krusenstern strait, to the effect that an engagement was in progress between Japanese and Russian warships.

Russians Threaten Merchant Ships. SEOUL, Corea, June 15.—It is officially reported here that the Russian Vladivostok squadron is cruising in the Korean straits, and the coast of Japan, seriously threatening mercantile ships to and from Corea.

At Chempo there are several Japanese officers whose return to Nagasaki is delayed because the steamer on which they purpose to travel is awaiting news of the position of the Russian fleet.

RUMOR OF A JAPANESE DEFEAT

Russians at the Foo Celebrate Victory Over Island Forces.

NEW CHWANG, June 14.—(Delayed in Transmission).—There are persistent rumors here of a Russian victory over the very highest authority direct from Mukden says there are over 30,000 Russian troops there, with 40,000 additional men camped at Liao Yang. It is believed here that the Russians are moving a force of 60,000 south to make it appear as though they were attempting to relieve Port Arthur and that upon the first encounter with the enemy it will be withdrawn north again.

A private telegram received here by a German resident last afternoon from the Foo says that the Russians had suffered a severe defeat at Port Arthur and the Russians in town are celebrating the news tonight.

Ships arriving from Shanghai and Che Foo report passing a Japanese cruiser five miles out from Kin Chou.

BOATS DID GREATEST DAMAGE

Russian Merchant Comments Upon the Battle.

CHE FOO, June 15.—A Russian merchant, who was at Kin Chou at the time of the recent battle there and who accompanied the Russian army on its retreat to Port Arthur, has arrived here in a junk. He says that the Russians had no permanent fortifications at Kin Chou, but simply trenches; the country around had been mined, forcing the Japanese to take to the water. When they did so the Russian gunboat Lohr was taken to the head of Tachenan bay, from where it threw shells across the narrow neck of land, killing hundreds of Japanese. The Russians likewise suffered more from the fire of the Japanese gunboats than from the artillery and infantry fire.

The people of Port Arthur, the Russian merchant says, are confident and ready for the final test of strength by opposing armies. The town is quiet. All the soldiers have gone to the front. Thus far there have only been skirmishes between Dally and Port Arthur. The Russian merchant states that, as far as he could see and learn, all the crippled Russian war vessels at Port Arthur, with the exception of the battleship Fobleda, had been repaired. Whether the repairs were permanent he was unable to say.

He says that when the Chinese announced the Japanese approach on Kin Chou the Russians were unable to obtain accurate information as to the strength of the enemy. Four thousand men from the Twenty-sixth and Twenty-seventh regiments were sent out to reconnoiter the Japanese on the plains. The army was about 30,000 strong. The infantry army engaged and the Russians lost 200 men be-

ST. PETERSBURG IS EXCITED

War and Naval Departments Want Word from Scene of Battle.

PETERSBURG, June 15.—Not since war began has such excitement been witnessed at the War and Naval ministries as there is today. The encounter between the opposing fleets, imminent and reaching in progress south of Tsushima (Liao Tung peninsula, about forty-five miles north of Port Arthur) and along the line established by the Japanese across to the peninsula from Pitzevo at Port Adama. News was awaited with feverish anxiety. The general staff believed that the Japanese force which attacked Major General Grogoff's division yesterday was the advance force of General Nogu's entire army of nearly 50,000 men. General Baron Stakelberg, who commands the First Siberian corps, is personally directing the operations at the front, but it is believed that the major portion of his corps is too far north to render effective support.

Stakelberg's dispatch given out last night came direct to the emperor. Nothing further, so far as ascertainable, has been received thus far either from Stakelberg or Kourapatkin.

Both sides retained their positions after the encounter yesterday when the fighting was of the most desperate character on the Russian left wing. No doubt exists here that the advantage brought up all the supports possible during the height of the battle and that it was resumed this morning. But with the whole Third army behind General Nogu there is apprehension that Stakelberg may be unable to get together a sufficient force to successfully oppose the enemy. The authorities here have successfully concealed up to the time the number of Russian troops on the peninsula. It now develops that Stakelberg's whole corps has been centered at Kai Chau (about twenty miles south of New Chwang). The despatch of divisions southward from the central garrison is a device to relieve the pressure on Port Arthur, as it is considered that the fortress would lose most of its importance to Russia from a strategic standpoint if the squadron there succeeded in escaping and effecting a junction with the squadron under the command of Vice Admiral Skrydloff. Stakelberg's purpose, the correspondent of the Associated Press learns, is mainly intended to discourage the landing of a fourth Japanese army, which the authorities have reason to believe is planned on the west coast of Liao Tung peninsula, near New Chwang, whence it could cooperate with General Kuroki's advance of Liao Yang. The Japanese failure to follow up the bombardment of Kai Chau and Suenchen coast by a disembarkation is believed to be in consequence of the development of Stakelberg's position. Although the Japanese forward movement from Su Yen to take Stakelberg in the rear looks extremely dangerous, the War office does not manifest anxiety at the prospect of Stakelberg's communications being cut, saying that at least six days are necessary to reach a position commanding the railroad, over which the Russians in case of necessity could easily retreat.

No further news has been received of the advance north of Kuan Jen Sian, and it is still considered to be no more than a demonstration.

Little importance is attached to the appearance of 3,000 Japanese near Kuan Jen Sian, the country being too wild and desolate to permit of the march of a regular force.

LOOKS FOR DECISIVE EVENTS

German Correspondent Says Battle Will Be Fought Soon.

BERLIN, June 15.—Colonel Gaedke, war correspondent of the Berlin Tageblatt, telegraphs to his paper from Liao Yang as follows: "The situation, in my opinion, is developing to such a point that decisive events must soon be expected."

The correspondent mentions the situation of General Stakelberg's corps, which is regarded as being extremely grave. The Kreuz Zeitung points out that the attempt of the Japanese in yesterday's fight to turn the Russian left creates a situation similar to that at the battle of the Yalu river and says that even if Stakelberg is not surrounded he will find it extremely difficult to execute his 100-mile retreat to Kourapatkin's main body.

The National Zeitung expresses similar views and draws the conclusion that Kourapatkin's only object in making a diversion through Stakelberg is to gain time for the retreat of the main army to Harbin. All signs, the paper adds, indicate that the retreat has already been decided upon.

STRENGTHEN KOURAPATKIN'S ARMY

Appointment of General Dembowski Indicates Sending of Many Men.

PETERSBURG, June 15.—(4 p. m.)—The appointment of Lieutenant General Leonidas Dembowski as commander of the Fifth East Siberian army corps is evidence that larger reinforcements are to be placed at General Grogoff's disposal. The four corps originally formed of Siberian troops, are mobilized in Manchuria, and other drafts, have been sent out to the far east.

The organization of the new corps, independent of the Russian corps, now operating from European Russia, shows that Kourapatkin now has almost 200,000 troops, irrespective of frontier and railroad guards, and that probably he has an effective army of 180,000 men. Liao Yang, General Dembowski is a distinguished strategist. He participated in the Russo-Turkish war and was commander of the Grenadier corps after the war. Later he became head of the Paul Infantry school and held that position until two years ago. Since then he has been on the personal staff of the war minister.

A flotilla of gunboats and mine ships from the Baltic is being sent to the Gulf of Tartus, to the north of the Japanese base at Port Arthur on Monday night.

Gives Me No More Men. TIEN TSIN, June 15.—General Ma has ordered his headquarters from Chao Yang to Ping Chou Chow. The Russian general, Kai, commander-in-chief of the Chinese force, has refused General Ma's request for 10,000 more troops. It is believed here that there are 40,000 Chinese imperial soldiers on the Mongolian border.

SAYS FIGHT IS ON SOCIALISM

Governor Peabody Wires Secretary of National Civic Federation.

AFFAIRS IN COLORADO BECOME QUIET

General Bell Declares that All Objectionable Characters Have Been Weeded Out of Mining Camps.

DENVER, June 15.—"The mines in the Cripple Creek district are opening, business of all kinds resuming, conditions are normal and more men will be at work within the next three months than ever before in the history of the camp," said Governor Sherman M. Bell, who was in Denver today to attend a meeting of the military board.

"The mine owners and business men will see that affairs continue as they are at the present time. There will be few deportations from this time on, as we made a clean sweep of the undesirable characters. Those being held now have committed crimes and will be prosecuted."

"According to reports I have received," Governor Peabody said, "it will not be necessary in all probability to keep the troops in the field very much longer. No more trouble is expected."

Labor Commissioner W. H. Montgomery today received the following telegram from Ralph M. Easley, secretary of the Civic Federation, in regard to the present troubles in Colorado:

Federation and Socialism. "Can't you get the governor or General Bell to issue a statement, or have one published, in which the American Federation of Labor and socialist organizations in the present matter?"

In reply to this Governor Peabody sent the following:

Ralph M. Easley, Secretary National Civic Federation, Boston: In reply to your telegram with respect to not fighting organized labor as such, and never have been. The law-abiding citizens of Colorado have no fight on the American Federation of Labor nor those affiliated with it. The Western Federation of Miners two years ago was charged with murder, rioting and inciting to riot, and some are held as witnesses. The district court is now in session with Judge W. P. Seeds on the bench, but the criminal cases cannot come up until the next term, in September, unless a special venire is decided on, and it is a question whether the cases can be prepared before the convening of the regular session."

"JAMES H. PEABODY."

Reasons for Deportation. CRIPPLE CREEK, Colo., June 15.—Since the deportation of thirty-eight American miners there remain in the city and county jails and the military guard houses in this city and Victor about seventy-five prisoners against whom no charges have yet been filed. Many of these men, it is said, will be charged with murder, rioting and inciting to riot, and some are held as witnesses. The district court is now in session with Judge W. P. Seeds on the bench, but the criminal cases cannot come up until the next term, in September, unless a special venire is decided on, and it is a question whether the cases can be prepared before the convening of the regular session."

Judge H. McGarry, a member of the committee, which investigates the records of prisoners and determines, subject to General Bell's approval, whether they shall be with them, explained the reasons for deportation as follows:

We are not deporting any criminals nor yet any who might make good witnesses. The only deportees are those who are charged with murder, rioting and inciting to riot, and some are held as witnesses. The district court is now in session with Judge W. P. Seeds on the bench, but the criminal cases cannot come up until the next term, in September, unless a special venire is decided on, and it is a question whether the cases can be prepared before the convening of the regular session."

Dump Sick Men on the Line. ANTONIO, Colo., June 15.—Thirty-six union miners and sympathizers deported from the Cripple Creek district by the special authorities were unloaded from the special train used for the deportation near the New Mexico line today and were driven by the guard, under command of Lieutenant Colonel Kennedy, over the border. They were marched to the Colorado line, and then to Colorado. Nevertheless, after the departure of the troops, the deported men walked back to this town, five miles north of the line, where breakfast was furnished them by citizens.

William Ketcham, one of the miners, was too sick to walk and a wagon was sent for him.

JUDGE THAYER GRANTS THE WRIT

Governor Peabody Must Show Reason for Holding Moyer in "Bull Pen."

ST. LOUIS, June 15.—United States Circuit Judge A. M. Thayer, sitting in chambers, has granted a writ of habeas corpus to have Charles H. Moyer, president of the Western Federation of Miners brought before him on July 5. The writ is directed against Governor J. H. Peabody of Colorado, Adjutant General Bell and Bulkeley W. Hills and another. The writ is directed to three habeas corpus judges. Moyer has been held in a stockade, or better known as the "bull pen," at Telluride.

The granting of the habeas corpus is the result of the writ which is going on between the miners' union and Colorado officials for several months. Today Attorneys Hawkins and Richards of Denver arrived in St. Louis and went direct to the federal building, where for more than three hours they laid the case of Moyer before Judge Thayer.

Their arguments were that the president of the miners' union was being held in a "bull pen" without any law or authority and was being restrained of his liberty. At the conclusion of their arguments Judge Thayer granted the writ asked for, making it returnable July 5.
