SEVERAL CHANGES IN OMAHA LINEUP

Dolan Out of Game, Thomas Goes to Short, Gonding to First and Spotty Preese Does the Receiving.

(From a Staff Correspondent.) DES MOINES, Ia., June 15 .- (Special Telegram.)-Yank Brown won his own game this afternoon by slapping the ball ver the centerfield fence in the eighth inning for a home run, driving Gonding before him, for the scores that won the game. The game was brilliant, the errors of the infield being atoned for by most brilliant catches and most perfect fielding when the time for good fielding was at

The announcement that Brown would pitch filled the grandstands and bleachers to overflowing with the admirers of the college phenom. They were in no wise disappointed, for while he was hit hard and often he kept the hits scattered in all but the fourth inning, when three singles, a sacrifice and an error brought in the runs of the locals. Hoffer was hit harder and they came in hunches, and Gonding's single and Brown's homer completed the defeat of the former Oriole.

The Omaha team presented a changed appearance to that of preceding games, Dolan being on the bench, Thomas taking his place at short and Captain Gonding taking the initial sack. Thomas and Howard made several errors, but the latter retrieved his laurels by a phenomenal catch of a certain two-sacker in the sixth, which would have counted for at least two runs. The Omaha team leaves tonight for home. Attendance, 1,200. Scoret OMAHA. B. H. O. A.

A NEW PRINCIPLE IN MEDICAL SCIENCE.

For years it has been the practice of medical men to treat patients suffering from piles by local, external applications. These treatments give but temporary relief, but have never affected a positive cure.

After months of research and study, accompanied by actual experience with various patients, Dr. C. A. Perrin arrived at a positive conclusion as to the exact action of the various parts of the bowel system, under different conditions, and when subjected to various prescriptions.

He finally prepared that wonderful interaal remedy known as Dr. PEREIN'S PILE SPECIFIC, which is put up in bottles, retailing at all reliable drug stores for \$1.00 each. This internal remedy has been on the market for the past ten years, and in all of that time there has been but three cases where a positive cure has not been effected.

Dr. Perrin's Pile Specific is sold under a positive guarantee by the druggist making the sale, to refund the full purchase price, providing the remedy fails to cure. This is the absolute proof of its merit. Any man or woman who suffers from blind, bleeding, itching or internal piles can try this internal remedy with the absolute certainty that it will cost nothing unless it cures. Here is what one sufferer says of this wonderful

Dr. C. A. Perrin, Helena, Mont.—I wish to thank you for the cure your wonderful medicine has done for me. I had the piles some five years, and under the advice of a doctor had them removed by the knile and felt free for a while, but they returned and I at eace got a bottle of your Perrin's Pile Specific and one bottle has entirely cured use, and I am as good as I ever was.

Yours truly.

Jack Sullivan.

Spent \$1,000 Without Relief.

Says Younker Bros. driver, Fred. L. Ray, Des Moines, Iowa.

On November 30, 1903, Mr. Ray wrote us:—"I have had Rheumatless in a very painful form for eight or ten years past. During that time I have tried all kinds of remedies and been to the Hot Springs, spending to all about \$1,000; with all this I got very little relief. About ten days ago I got a bottle of ELIMINATUM and have taken about half the bottle. I have received more benefit from this than from all the other money I have spent seeking relief."

On January 18, 1904, Mr. Ray wrote again, saying:—'I have now used one bottle each of ELIMINO and ELIMINATUM and am well pleased with them. I began work December 1st, after using the Eliminatum ten days, and have worked every day since, driving a delivery wagon for Younker Bros. I had been unable to work for fifteen months before beginning the ELIMINO REMEDIES."
