Terms of Southern Pacific Stock. NEW YORK, June 16.—It may be positively asserted that in its proposed issue of preferred stock the Southern Pacific company will reserve the right to retire this stock at 1.5 at any time between July I, 1905, and for the following five years. No official announcement regarding the proposed issue has yet been made, although it is understood that some statement will be made public before the end of the week.

I Your brain is tied pretty closely to your digestive machinery.

Like a coal fire when it gets clinkered up, it's generally the fuel that's to blame.

"FORCE" is what you might call a "free-burning" food.

If you eat plenty of it you won't have those stuck-in-the-mud days when everything seems to be going backward instead of forward.

Lunny fin

When you buy coal you find some stones mixed with it. These stones cost as much as the coal. They also take up and waste more heat than the coal they displace would have developed.

Just so with the foods you eat which you do not digest.

People who would quickly build Brawn, Brain, and Bone should eat plenty of Because it is not only rich in the Phoe phates and Nitrogen of Wheat that build Brain, Nerve, and Brawn, but is maited with Barley, so that it digests other foous in the atomach, extracting greater nutri
