

BILL TO PROTECT PAVING

Zimmer's Ordinance Makes All Corporations Care for Streets.

MUST RELAY IN THE ORIGINAL MATERIAL

Measure Naturally Meets Opposition, but President of Council Will Push It Through, if Possible.

Regarding the ordinance introduced at the council meeting Tuesday night for the purpose of regulating the disturbance of pavement by franchised corporations.

This measure is one that should protect the expensive paving put down in this city and compel the corporations such as the street railway, gas, electric light and water companies to replace the paving with the same material and in as good condition as they found it.

Under the ordinance which is now proposed each corporation must file a two-year bond of \$5,000, guaranteed to protect the city against damage to the pavement.

The ordinance has been opposed by the street railway company. At first an ordinance specifying the company alone was prepared, but some of the councilmen declared they would not vote for it until all the public utility corporations had been placed under it.

DR. KERR ADDRESSES OMAHA

Writes Letter Concerning Bellevue College and Why He Resigned the Presidency.

BELLEVUE, June 17.—To the Editor of The Bee: I wish to say a few words to the people of Omaha and Nebraska about Bellevue college.

We lost a building by fire two years ago. In rebuilding, the accessories created a debt of \$100,000. This is the debt now, with all the efforts of Dr. Stevenson and myself we were not able to cancel this debt.
