CHOKING CATARRH CURED

Your Money Back if Hyomel Does Not Cure You.

"Use Hyomei and he cured of catarrh," is what all who have tried it for that disease say to their friends.

It is the easiest thing in the world to stop catarrh at its beginning if you use Hyomel. Just breathe the health-giving. balsamic air for a few minues and your natarrh will be cured. In the worst cases of this disease, chronic or acute, Hyomei used four or five times a day is all that is needed to soon effect a cure. In this city and neighboring towns there

are hundreds who can testify to the remarkable powers of Hyomei to cure catarrh. Many of the staunchest friends of this remedy today began its use with little hope that they would be cured, but as the Sherman & McConnell Drug Co., corner Sixteenth and Dodge streets, Omaha, offered to refund the money if it did not cure, they decided to try it on that plan and were soon restored to health.

CAME NEAR DYING

From an Awful Skin Humour. Scratched Till Blood Ran. Wasted to Skeleton.

CURED BY CUTICURA

One Application Soothed Him to Sleep. Cure Speedy

and Permanent,

"When my little boy was about three fronths old his head broke out with a rash, which was very itchy and ran con-siderable watery finid. We tried everything we could, but he got worse all the time till it spread to his arms, legs, and then to his entire body, and he got so bad that he came near dying. The rash would itch so that he would scratch till the blood ran, and a thin yellowish stuff would be all over his pillow in the morn-ing. I had to put mittens on his hands to keep him from tearing his skin around

his wrists. He got so weak and run down that he took fainting spells like we would think him dying. He was al-most a skeleton and his little hands were thin like claws.

"He was bad about eight months when we tried Cuticurs Remedies. I had not laid him down in his cradle the daytime for a long time. He had got so that he fust slept in our arms all the time. I washed him with Caticura Soap and put on one application of Cuticura Olutment and he was so soothed that I put him in the cradle. You don't know how glad I felt when he felt better. It took one box of Cutleure Ointment, pretty near one cake of Cuticura Sonp, and about half a bottle of Cuticura Resolvent, to cure. I think our little boy would have died only for the Cuticura Remedies, and I shall always remain a firm friend of them.

MRS. M. C. MAITLAND, JASPER, ONTARIO.

No return in 14 years. Mrs. Maitland writes, under date of Feb. 24, 1908, that the cure is permanent.

"It affords me much pleasure to imform you that it is fourteen years since my boy was cured of the terrible skin disease from which he suffered.

Crop Conditions Improve.

ONAWA, Ia., June 21.-(Special.)-Crop | conditions continue to improve in Monona county. Only one heavy rain in nearly three weeks now and prospects are much more favorable. Corn on good ground is making a fine growth. Much of it has been cultivated twice and is showing up well. Farmers are still planting corn on some of the low ground and will continue to for four or five days yet. Considerable of the ground that is too wet for corn will be sown to millet. Alfalfa is now being cut and is a big crop, very rank and heavy. Strawberries are marketed in good quantities. The Onawa fruit farm has an immense crop, this year. The cherry crop will be light, many trees being killed.

Parochial School Graduates.

CEDAR RAPIDS, In., June 21.-(Spe cial.)-The commencement programs were carried out last week at St. Patrick's sichool where ten students graduated and gave a fine program of music, recitations, orations and plays, and the other one was at St. Joseph's academy, where eight students were given their diplomas, and another excellent program was carried out. These were both Catholic schools and will end the list of commencements for the various schools here this year.
