Union Workmen Protest Against Enforcement of "Open Shop" Rule by Manufacturers.

NEW YORK, June 22 .- The general strike in all branches of the ready-made clothing trade in this city, which was called yesterday by the Garment Workers' Trade council, went into effect today. Opinions were rather at wide variance as to the number of men affected. The men claimed that more than 30,000 will have quit work before night. On the other hand, members of the New York Clothing Manufacturers' association, against whom the strike is directed, declared that most of their shops were running with both nonunion men and union men, who had either refused to go
