The First Essay Prize of

TWENTY-FIVE DOLLARS Won by

La Porte City, Iowa. This prize was offered for the best es-my entities "noyles College, the Secret of It's Success."

The centestants were cautiened that the prize would not be won necessarily by high ...own rhetorical efforts, but by a state-ment of practical facts.

Miss Osborn says the success of Boyles College is:

MISS NORA OSBORN

college is:
The result of efficient management.
The president of the college is an eduator as well as a successful business man.
A large, strong faculty.
Ample, high grade equipment.
An ideal location.
The confidence of business men.
Serious, honest work.
No extravagant promises.
Genuine merit.

Mo extravagant promises.

Genuine merit."

The management knew the secret of the nuccess of Boyles College, but it was its feare to know what others ascribed it to. The management concedes the fact stated in Miss Osborn's essay, and therefore awards her the first prize of \$55.00.

The second prize will be announced next sunday and the third the following Sunday.
