Has there not been times in your life when it would have been worth more than 100 cents to you? It is our business to supply you with money when you need it and allow you to pay it back in small weekly or monthly payments, as may best suit your

We loan on furniture, pianos, horses, wagons, warehouse receipts and other chattels, and we make loans to salaried people upon their own agreement to repay.

We can make the loan for six months, or even longer, and tell you in advance just what the total cost will be, and you have the option of paying it sooner, if possible, which will make the cost less.

Our rates are as low as you will find in the city, and much less than some will ask you. We do not deduct interest in advance as some do, and we never charge for making papers. We are the oldest concern in our line in the city, and we always try to please our patrons.
