

OFF FOR THE CONVENTION

General Weaver Makes His First Appearance as a Democrat.

LIKELY TO BREAK AWAY FROM HEARST

Delegation Not Likely to Hold Together for More Than One Ballot—Iowa Supreme Court Reports to Be Cheaper.

(From a Staff Correspondent.) DES MOINES, July 2.—(Special.)—Most of the Iowa democrats who go to the St. Louis convention went today, but a few will go tomorrow night. All the Iowa delegation will be on hand Monday morning, when a conference of the delegation will be held. There has been no change in the situation as regards the Iowa delegation, which as a whole was instructed to hearst, but at the time it was known that at least eight of the twenty-six were at heart opposed to the nomination of Hearst, and these and perhaps others will do all in their power to prevent any such contingency. It is regarded as highly improbable that the delegation will be held together for more than one ballot. The delegates all declare, however, that under no circumstances will they bolt the convention, but the losers will stay to the finish. The delegation is headed, in fact, by General James B. Weaver, who, this year, for the first time, appears as a delegate to a national democratic convention.

Italian Giver Bail. Fortunato Pigneri, accused of the murder of Thomas Callahan, has been admitted to bail in \$3,000. A number of rich Italians of the city have become interested in the case and they protest that there is not a particle of evidence to connect the accused man with the crime. He has secured a good lawyer and will make a hard fight. Thus far he has said nothing that would indicate he is guilty. The police are still following other clues, and as a result, Balderson, who is under suspicion because of his having lived near the scene of the murder and because in a fit of insanity he once committed a similar crime, has not been located as yet.

Iowa Reports to Be Cheap. The lawyers of Iowa will be interested in knowledge of the terms of the contract just entered into between the state of Iowa and a Chicago publishing house, with reference to publication of the reports of the state supreme court. The contract was made on the basis of furnishing the reports to lawyers of the state for the period of the contract, eight years, at \$15 a volume, the lowest price ever secured. Eight years ago, when the contract was made with the present publisher, it was provided that he might, after the eight years, charge \$2 a volume. In previous contracts there was no provision limiting the price, save during the life of the contract, and as a result, lawyers are now paying from \$1 to \$4 a volume for the earlier reports. But in the contract just signed is a clause inserted at the suggestion and insistence of Secretary A. H. Davidson of the state executive council by which the publishers bind themselves to continue indefinitely furnishing the volumes of reports at the contract price.

Decrease in Convicts. The reports from the state penitentiary of Iowa show that the number of prisoners in confinement continues to decrease, despite the good record of the courts of this county. The number of prisoners in the penitentiary for the first of the month shows that the total number of convicts there at that time was 21, a decrease of nine in the month of June, and a decrease of thirty in the last year. The decrease at Fort Madison was not so great. The report from the Otis Industrial school at Mitchellville showed 21 inmates the first of the month, an increase of four in June.

New State Buildings. The Board of Control today approved plans of the state architect for two more state buildings. One is the hospital which is to be built at Vinton in connection with the blind college. It is found that many of the students at the college are in need of hospital treatment and many go there for that purpose. The state therefore appropriated \$50,000, and a neat fireproof cottage hospital will be constructed. The other building is the new state office building at Marshalltown to take the place of one burned last year. It will cost \$300,000.

Collateral Tax Increases. The state treasurer reports that the collections of the collateral inheritance taxes for the first half of the biennial period just closed show that the collections are steadily increasing. In the year ending July 1 the treasurer secured a total of \$127,706.36 from this source. The collections for 1903 amounted to \$130,719.82 and for the first half of 1904 to \$64,719.32. Much less trouble is experienced in collecting the tax than formerly, the courts having set the great precedents.

General Byers Will Command. Adjutant General Byers will have charge of the two camps of the National Guard in this city this month and in August. Governor Cummins will designate him as the officer in command. This will enable the colonels of the regiments each to retain command of his regiment and to relieve any of them of the greater responsibilities. This will be the first time that the adjutant general of the state has commanded an encampment. The details for the encampments are being arranged since the ground for the camp has been secured.

ANNAWILL TAKES THE COLORS

Little Bay Mare Defeats The Kid in Class A Pace.

BREAKS LOCAL MATINEE RECORDS

Covers Half-Mile in One Minute Four and Three-Fourths Seconds—Great Day for Sprague Park.

There is an old proverb that "one swallow doesn't make a summer," but the soothsayer's words don't apply to horse racing by big odds. That one good event can make a matinee and be the whole show within itself, was clearly demonstrated at the Sprague street track yesterday when the program of the Omaha Driving club's matinee was raced off.

When Annawill, the little bay mare by Anderson, took the colors in the class A pace by defeating The Kid, the brown son of Director, and fractured all Omaha matinee records in competition, the crowd was on its feet and unwilling to sit down. In just 1:04 1/2, Annawill covered the half-mile track and passed under the wire with The Kid's nose at her driver's back. The judges were astounded when they looked at their stop-watches, two had caught the time at 1:04 1/2 and one at 1:04 3/4, but the former mark was made to stand.

Not only that, but it was a horse race from the time starting Judge Sapp gave the word until both animals had stepped under the wire. It was the third and big event of the day. Of five starters listed all but the two mentioned were scratched. Annawill, however, was a great mare, but when the sturdy gelding stepped out before the crowd a ripple of applause swept over the grandstand.

"Isn't he a beauty?" remarked a fair enthusiast to her companion. "Well, I should say he is," three or four others returned mechanically. And he is. In the first heat The Kid broke early in the race, even before the eighth pole was reached. His driver and owner, H. W. Dunn, handled him well and again the son of Director struck his gait. But Annawill was far in the lead now and when The Kid went off his feet at half past the quarter he was plainly out of it for that heat. He settled down and made a good finish, but Annawill won easily.

Different Tale, but Same Result. The story of the second and final heat is a different tale with the same result. Both starters got away good, as near abreast as one could have placed them, with the mare at the pole. R. W. Lowrey, her owner, was in the seat and he worked his animal with a steady rein. It was neck and neck to the eighth, then the mare stole away by a nose and a neck, but the son of Director was abreast of her before the quarter was passed. The Kid losing ground. Some said the gelding had fagged, but everyone knew they were coming on fast.

The crowd rose to its feet and cheered as they came down the stretch. The gelding gained now, but the spread was far too great to overcome and he finished a length behind.

Summary of Races.

Class A pace: Annawill, b. m. by Anderson (R. W. Lowrey) 1:04 1/2. The Kid, b. m. by Director (H. W. Dunn) 1:11 1/2.

Class B pace: Governor Taylor, blk. g. (L. F. Crofoot) 1:10 1/2. Sam, b. g. by Pactionation (Frank Moore) 1:11 1/2.

Class C pace: Rube, ch. g. (J. R. Iman) 1:12 1/2. Lady Belle, blk. m. by Winslow Wilkes (A. M. Henderson) 1:13 1/2.

Class D trot: Edlie D, driven by E. Dietrich, gave Red Bud a close race on the stretch in the second heat and came in second. Edlie D. broke at the quarter or it might have meant another heat for the big horse from South Omaha. Red Bud is entitled to a faster class and will be put there in future meets.

The track was fast and the day cloudy but dry. It was announced that there will be a meeting of the Omaha Driving club at 8 o'clock Thursday evening in the offices of the electric light company. At that time the advisability of bringing a world's champion to Omaha will be considered and it is thought that the plan may carry. If such is the case Dan Patch will probably be selected to come for an exhibition.

Floyd J. Campbell did not start in the Class A pace with Roy P. for the reason that he sold his stepper to Alf Tate of Fort Collins, Colo. The horse will be shipped today or tomorrow. Mr. Murphy sold his Van and caused that horse to be scratched.

The officials of the course were: Clerk of the course, F. J. Campbell; starting judge, W. F. Sapp of Council Bluffs; timers, J. P. Poffenberger and W. H. Dudley; judges, F. J. McAvoy, G. O. Gray and George M. Swigart.

WESTERN GOLF CHAMPIONSHIP Willie Anderson Leads a Team of Five to Victory.

GRAND PRIX MATCH, July 2.—As a climax for the Western Golf association open championship at the Kent County club, a team of five to victory in a thirty-six hole match against a team headed by runner up Alexander Smith with a total of 8 to 1. Two matches were played in the morning. Stewart Gardner and Lawrence Schobole and W. H. Way and Harry Turpe coming in all square after the 18 and took play. But Champion Willie Anderson romped away from Smith by a margin of 8 holes.

Gilbert Nichols was two up on Robert Simpson, and Bernard Nicholas, with a medal score of 71, went fast enough to beat F. McLeod five up. With the score 4 to 5 Smith urged his team to better efforts and in the afternoon reversed the figures for his match in the morning and defeated Anderson five up and four, setting the course competition record at 75, both in

behaving nicely and Governor Taylor will likely be put on his metal if the two again meet under neutral conditions. On the other hand, the governor at the pole seemed to win easily. Mr. Crofoot held him in the second heat and, figuratively speaking, pulled his head off in the first. Albert L. a third starter in the race, owned and driven by R. Chatfield, found the going very hard and finished last each time.

Myrtle Boy Winner. In the second event, the Class D trot, Myrtle Boy, owned and driven by T. C. Byrnes, won two straight heats and the race, defeating General Nottingham, the brown gelding owned by E. H. Healan and a son of Nottingham. The general broke in the first heat and was out of it early. South Omaha won the last race, the Class C pacing event, and from the acclamation which Red Bud, the winner, received, one would have thought that all South Omaha was at the track. J. S. Iman had such an easy time in the first heat that he drove in with one hand. The other three starters all went straight before they reached the eighth and were pretty much off their feet for the full distance.

Edlie D, driven by E. Dietrich, gave Red Bud a close race on the stretch in the second heat and came in second. Edlie D. broke at the quarter or it might have meant another heat for the big horse from South Omaha. Red Bud is entitled to a faster class and will be put there in future meets. The track was fast and the day cloudy but dry.
