#### CELEBRATION AT THE PARK

Day Observed at Fairmount in the Good Old-Fashioned Manner.

CHILDREN ARE THE CENTRAL FIGURE

John Jay Fraincy Reads the Declaration of Independence and Ex-Mayor Rohrer Delivers an Address.

The old-fashioned celebration of Independ. ence day arranged by Park Commissioner Graham at Pairmount park attracted quite a large sized gathering yesterday after-neon and the slopes around the bandstand where the exercises were held were well dotted with people, while many availed themselves of the seats arranged in front

of the stand.

The music for the afternoon was furnished by Major McFadden's drum and fife corps, which played a number of oldfashioned and ever popular patriotic airs The exercises were opened with prayer by Rev. T. J. Brookes, rector of Grace Episcopal church, following which the children in the assemblage were gathered in a crowd and to the strains of the drum and fife corps they sang the national anthem with a spirit that showed that they fully appreclated the significance of the holiday they were enjoying with their elders. Foilowing the singing of "America," John Jay Frainey, preceding it with a short explanatory address, read the Declaration of Independence. Mr. Frainey is gifted with a deep, resonant voice and every word of his could be distinctly heard by his audience scattered as it was on the surrounding

To Former Mayor M. F. Rohrer had been assigned the delivering of the address of the afternoon. He took as his subject 'Patriotism." In closing Mr. Bohrer paid a graceful tribute to Perk Commis Graham, whom, he said, was the "father" of the park system of Council Bluffs and who it was "discovered" Fairmount park, the discovery of which the people celebrated every pleasant day in the year. Through the efforts mainly of Commis-sioner Graham Mr. Rohrer showed that the people of Council Bluffs now owned of parks. Before stepping from the platform Mr. Rohrer presented Mr. Graham on behalf of his associates on the Park board as a slight token of the day, a handsome silk handkerchief bearing the national colors. The exercises closed with prayer by Rev. Dr. Brookes.

Although a large number of people pick-nicked in the shady glens of Fairmount park, Lake Manawa was the objective point of a great majority.

Crowds Are Orderly. Notwithstanding the large crowds of visitors in the city, the day passed off in were called upon to make but a few arrests, these being for discharging firearms in the shape of large-callber revolvers with blank cartridges, contrary to the orders of Chief Richmond. About ten arrests were made for this cause, the persons arrested being later released on their own recognizance to appear in potice court this morning. One man giving the name of Thomas Kasy was arrested by and nearly frightening her into a fit. The police attempteed as far as possible to stop the placing of torpedoes on the street car tracks, and a number of young fellows were taken to police headquarters and after being tiloned were released. fellows who were firing blank cartriages were made to surrender their revolvers, it being understood

they will be returned to them today. Several Serious Accidents. Several accidents resulting from the discharge of fire crackers and other explosives were reported to the police. With the exception of one they were minor casualties. The worst accident reported was that which befell the little 7-months-old boy of B. F. Kirk, Twenty-first street and Broadway. The child's 6-year-old brother, while playing with a 2-caliber revolver, discharged a blank cartridge into the little one's right eye. It is feared the child will

lose the sight of the eye. Frank Christofferson, an employe of the DeLong Printing and Stationery company, tore a hole in his foot with a dynamite cap.
