

Tomorrow beginning of the great week "Brandeis" selling the Kelley-Stiger \$106,740.08 Omaha Bankrupt Dry Goods Stock. Just as we say. Just as you expect us to. Just as it is—without adding or subtracting one iota.

The greatest and most sensational dry good sale in Omaha history.

Kelley-Stiger's \$106,740.08 Bankrupt Dry Goods Stock

A sale without equal or rival. A \$106,740.08 Dry Goods Stock—one you all know—selected this summer for Omaha's best trade—with utmost care—best judgment and rarest good taste—at your disposal at half price.

On Sale in All Its Departments at **BRANDEIS** "BOSTON STORE" & SONS

It pays to trade at "Brandeis," you've said it for years—we're proved it for a score of years—and emphasize it every day, but never so strongly as we do now—Never were inducements so great or advantages so overwhelming as they are tomorrow in our store.

SENSATIONAL BARGAINS--FACTS STRANGER THAN FICTION

HALF KELLEY-STIGER'S PRICE IN MOST CASES EVEN LESS THAN HALF IN A GREAT MANY.

Kelley-Stiger stock on our counters—the money we paid for it—and the prices you see are stubborn facts that no one can gainsay.

Out-of-town people will find this sale a revelation of modern business methods. The amount of railroad fare is nothing as compared to the amount you save—All out-of-town purchases packed and sent to depots free of charge.

No matter how extravagant any statement in this sale may seem—the facts will always bear it out and prove it absolutely true.

Kelley, Stiger & Co. bought the highest grades of goods—their trade in Omaha demanded it. Their reputation for high-class merchandise is conceded by everyone. The sacrifice of their stock at half price or still less in this sale is the supreme bargain event of the year

When we say to you—tomorrow's selling will embrace the most sensational bargains ever placed before the people of Omaha—you are positively certain of getting what you want—as much as you want—at the price you want—tomorrow.
