WEST FARNAM INVESTMENTS

EQUALED ONLY BY

GOVERNMENT BONDS

Was the opinion expressed by an Omaha banker after giving careful consideration to existing conditions and making inquiry as to who have already invested in this very select district. Financially it is represented by more wealth than any other residence section of the city. Considering the sustaining values an investment in this district, whether on improved or vacant property, is as inviting in its gilt-edge qualities as a government bond.

We offer two choice lots, solid ground, two feet above grade, paved street, permanent walk. Owner has plans prepared for building handsome house on adjoining lot, which improvement in itself will enhance the value of these lots.

We can deliver these lots at $1,000 each. Owner would like to reserve option to redeem within six months at an advance of $250 per lot.
