## Don't Be Misled

by false reports circulated by unscrupulous merchants, done intentionally to shake your confidence in "Sperry & Hutchinson" Green Trading Stamps. They will tell you from time to time that the Sperry & Hutchinson Co. will, after a certain date, discontinue their store here. Their object is to discourage you from collecting their stamps and in this way secure your cash patronage without giving you a cash discount in the form of Sperry & Hutchinson Green Trading Stamps.

We wish to place ourselves on record as stating that we have a long term contract with the Sperry & Hutchinson Co. to furnish us with their stamps and we feel a contract with them is as secure as with the safest bank in Omaha. They are responsible to the extent of \$1,250,000, or more, and if all the banks in Omaha were forced to close and the street cars were to close down you would still find The Sperry & Hutchinson Co. redeeming their outstanding obligations at the old stand, and OUR WORD IS GOOD. Sperry & Hutchinson Green Trading Stamps are GOOD as GOLD.
