of This Year. No action was taken by the Board of Public Works yesterday afternoon toward complying with instructions from the council to advertise for bids for the paving of South Thirty-second avenue from a point 206 feet south of Woolworth avenue to Lincon avenue, under the 1902 specifica-

tions. "I hold that 1964 specifications having been adopted and approved. there are no 1902 specifications," said Building Inspector Withnell.

"We don't recognize any 1902 specifications," declared Comptroller Lobeck. "We have no specifications at all if the 1904 specifications are knocked out. However, it is now up to the mayor to decide this
