HOME OPPOSITION TO BOYD

Home Omaha Democrats Want Shallenberger for Gubernatorial Nomination.

FONTANELLE CLUB ORGAN SPEAKS

Armuses Consure of Republican Officehalder for its Reputed Between to Work with State Committee.

The meeting of the Jacksonlan club Satnirday night has been called to indorse Congreeman Hitchcock for renomination and former Governor James E. Boyd for governor," says wollh A. Rine, one of the younger democratic leaders. "Postal cards have been sent out to all the members saying that the gathering is for the purpose of putting the club on record for congress-man and governor. Under a rule adopted by the club some three weeks ago all indorsaments must have a three-fourths voto of the membership of the club. Previously no candidate could be formally championed before nomination, but the club has decided that it can do the most effective work by getting in a position to definitely support

"I am satisfied that the attempt to in-dorse Boyd will not carry. Congressman Historick has no opposition. But I for one will make a determined fight against the approval of Boyd, for he has not a ghost of a show to be nominated and there is no use sacrificing the strength of our organisation to local pride. W. H. Thompson and Mr. Shallanberger are both mema number of supporters."

"Did you see that threat in one of the bargain counter weeklies, that the Fontamalle einh would refuse to work with the republican state committee because Victor Resewater had been made a member of the executive committee ever the protest of some of its officersT' asked a republican office-holder. "The pretense is made that to work with the committee would divulge the Pontanelle club secrets to the opposition faction. What does the Pontanelle club expect to do in the campaign that it dare not tell to the regular party managers? If it is endsted for the success of the republican ticket, why should it not be willing to go slong with everyone else engaged in the same work? As far as the state committee is concerned it has nothing to do with the recognition of local factions—it has to operate through the various county organizations as represented by the county committees in each county in the state and there is no reason why it should do any differently in this respect in Douglas county thun in Adams county or York county, or any county between them."

The Second Ward Republican club will meet at 166 South Sixteenth street Friday evening. Congressional and other candidates are expected to be present to address the club.

OMAHA THURSDAY WEATHER-Fair and Warmer.

The Premium Parlor, Second Floor, It was a hustling, bustling scene Wednesday when Omaha's economical spenders—the bone, muscle and tissue of any community—presented their collecting books and got their Red Letter Day Stamps. Mixing in with the crowd at all hours of the day we could hear their words of praise (given off-hand and without premeditation) about the PEERLESS QUALIES OF THOSE "S. & H." GREEN TRADING STAMP PREMIUMS. One little woman declared SHE HAD FURNISHED 2 BED ROOMS AND WAS NOW "ENGAGED" ON HER FRONT PARLOR. No doubt about it!
