and Sanger is, in brief, that unless the citizens of Council Bluffs subscribe \$100,000 toward the stock of the company Council Bluffs will be made but a way station and Ofnaha will be the terminal of the proposed The demand of Messrs. Dobbs and Sanger was received with a cold shoulder by the individual members of the executive committee, but they were asked to meet with the whole committee at its weekly session yesterday afternoon, when the matter could be discussed. This, however, Messrs. Dobbs and Sanger declined to do, saying they had to return to Tabor.

So far the city council has taken no ction in the matter of annulling the franchise granted the Tabor company, but it was stated yesterday afternoon that in view of the fact that the promoters were now attempting to hold a club over the city for the purpose of forcing local capitallsts to take stock in the enterprise, steps would be taken to have the courts adjudge the franchise null and void for the reason that the provisions as to beginning the work of construction within a prescribed time had not been complied with and that mentioned as the democratic candidate for | the failure on the part of the company to commence the work of construction in a sidered in connection with the nomination, bona fide manner had forfeited its rights under the charter ordinance.

The failure of the company to begin the onstruction of its proposed line within the me prescribed by the ordinance has cre ated the impression in this city that the road will not be built and little credence is placed in the reiterated statements of President Dobbs and Promoter Sanger that it will be.
