### LOUGEES FILE A DENIAL

Douglas Heirs, He Insists, Know Allegations in Petition Are Not True.

### FORTY THOUSAND IN DAMAGES ASKED

Documents Filed in Case Indicate Some Spicy Episodes When the Hearing of Evidence is Taken Up.

In answer to the sensational suit for \$50,000 brought by Benjamin Douglas, Jr., for himself and the Douglas heirs, against Lougee & Lougee, real estate and loan agents, a cross-petition was filed yesterday by F. C. and E. H. Lougee with a counterclaim of \$47,570. The original petition charges Lougee & Lougee with purchasing the lands of the Douglas estate at an alleged undervaluation and selling them at an advance of \$40,000 from the price paid to the heirs, which was \$12,500.

In the answer Lougee & Lougee admit that they were agents for Benjamin Douglas, sr., from August, 1893, until his death, for the purpose of renting his properties and collecting his rents in Harrison, Mills and Pottawattamie counties, being limited to the right to rent the said properties and collect the rents therefor. They were never agents, they claim, for the Shelby county land, nor agents for the heirs.

George D. Douglas, Robert Dun Douglas, William Angus Douglas and Mary McE, Pay are made parties plaintiff, because, it is alleged, the assignment of their claims to Benjamin Douglas was made without a consideration. "At the time of the commencement of the action," the cross-petition states, "plaintiff and co-parties had full knowledge of the fact that the allegations of the petition were untrue. At the time of the commencement of said action plaintiff had in their possession and under their control the positive evidence by way of letters from the defendants herein, and from other persons, and in copies of letters from the plaintiff herein and his co-parties in interest, and from actual knowledge and information gathered while present for the purpose of the examination of said property," that the statements in the petition referring to the purchase and sale of the farm were untrue.

For the alleged malicious commencement of the action the defendants ask \$40,000 damages. Another item that is asked for in the judgment is one for \$7,570, being a credit that it is claimed was not allowed against a prior lien of \$20,000, when a property in Santa Barbara, Cal., belonging to Benjamin Douglas at the time of his death was sold.

An action was begun in the district court yesterday by the Harle-Haas Drug company and three other drug firms to secure their claims against the former co-partnership of Cervinake & Jackson. The suit is against the Bronson Drug company. The latter took over the stock of Cervinake & Jackson when the retail firm dissolved. The plaintiffs ask the court to compel the Bronson company to make an accounting for distribution, asserting that the stock is now so merged with the Bronson stock that it is not distinguishable as to be levied upon. Mrs. Fannie Sexton prays to be appointed guardian of her husband, John Sexton, in order to care for the farm of 125 acres in Norwalk township. Sexton was committed to the insane hospital at Clarinda, June 21, 1904, and his malady is pronounced incurable.

### Settle Portland Case.

Attorney C. M. Harl has returned from Denver, where a compromise was effected in the suit of the American Bridge company of New York against the Portland Gold Mining company, in which the latter was sued for \$77,000 for the construction of an ore-reducing plant, which the plaintiff company built at Cripple Creek. A settlement of the suit was effected at figures nearly equal to the amount sued for, and a stipulation of dismissal is prepared ready for filing in the federal court here. During the life of the case in federal court, the defendants filed a plea in resistance to the effect that the plaintiff concern was a member of the United States and that the corporation, and under the laws of Iowa could not bring suit. The compromise precludes a ruling on the interesting contention raised.

(From a Staff Correspondent.)  
DES MOINES, Aug. 5.—(Special.)—The state of Iowa is steadily engaged in building up the state charitable and penal institutions and hospitals and schools for defectives, and this year the building operations are quite as extensive as any in the past.

In the last three months the State Board of Control has adopted plans for buildings at state institutions and has let contracts on competitive bids aggregating nearly \$400,000. Work is now being done on every one of these contracts and in the next three months the work will require much supervision and attention to details. Some of the work is not on contracts, but is being done at institutions by piece work or with the labor of inmates, but all buildings are on contracts. The principal building contracts entered into are:

Charities Hospital—New cottage for inmates \$25,000.  
Clarinda Hospital—New cottage, \$30,412.50; new workshop, \$1,500; coal house, \$7,000.  
Marshalltown School for the Deaf—Administration building and dormitories, \$126,771; roof for industrial building, \$1,275; hospital, \$1,000.  
Fort Madison Penitentiary—Steel for hospital, \$2,500; steel for kitchen, \$1,000; steel for total cost of improvement, about \$30,000.  
Independence Hospital—Pump house and pit, \$2,100; laundry annex, \$1,350; three reservoirs, \$2,500; pumps, \$1,500.  
Marshalltown School for the Deaf—Addition to old people's building, \$14,000; addition to school building, \$4,000; operating room, \$200; pump, \$1,500.  
Elkhart Industrial School—New pump for water system, \$1,500.  
Pleasant Hospital—Cistern, material by state, \$600.  
Hinton School for the Blind—Hospital, material by state, \$7,500.  
Chairman Robinson of the board states that in addition there are repairs to the custodial building at Glenwood to cost \$3,000 or more, grading and draining at Mitchellville \$500, tunnel work at Davenport \$5,000, filling Duck creek at Davenport \$1,350, equipment of power plant \$7,000 and laundry equipment \$2,000. Then there is much other work being done by state labor, especially in preparation for water systems and fire protection, and the clearing of the well at Protection, for \$3,000. The item of material furnished by the state is not included in the sums given and this is important. It is expected that very soon all the fire protection and fire escapes will be placed, and the three pumps bought, as mentioned, are for this purpose.

### Beating Horse Land.

Since the close of the legislative session the state board has also expended in the purchase of additional land at the institutions the sum of \$47,738. This has been spent as follows:  
Knoxville, inebriate institution, \$34,000.  
Marshalltown Soldiers' Home, \$14,700.  
Acres, 2,000.  
Elkhart Industrial School, 40 acres, 4,500.  
Glenwood People's Minded, 30 acres, 4,516.  
and 1 city block, 4,820.  
Anamosa Penitentiary, 80 acres, 4,820.  
Davenport Orphan's Home, 37 acres, 4,820.  
Independence State Hospital, 40 acres, 5,000.  
Mount Pleasant State Hospital, 35 acres, 4,820.  
At Glenwood the board has purchased one block of ground on which are a number of buildings which are interfering with the institutions. At Marshalltown the land was expensive because it had been platted, but it was necessary to protect
