NO DEMOCRATIC PARTY NOW

Warren Switzer Declares It Has Been Swallowed by the Populists.

SIDE LIGHTS ON LINCOLN CONVENTIONS

Delegates Tells How Secretly Made Plan to Deliver the Democratic Party to Pops Was Carried Out by Subterfuge.

Warren Switzer, who went to the democratic state convention as a proxy delegate, declares there is no democratic party in Nebraska and there will be none until the democrats of the state reorganize as the national democrats did at St. Louis.

"In answer to your inquiry in regard to my views in reference to the recent democratic and populist conventions at Lincoln, I will say that I was not a regular delegate to the convention, but met with the Douglas delegation therein on a proxy sent to me without solicitation by Judge Doonan.

It was not long after the convention opened until it was perfectly apparent that instead of there being in Lincoln at that time a democratic convention and populist convention, that there were two populist conventions at the same time, one having convened in the Oliver theater and the other in the Auditorium, and both operating on schedules previously prepared by joint conference between the leaders in the two assemblies.

By the combination. "From start to finish the democratic convention was run by Mr. Loomis in the chair and Mr. Bryan on the floor, and the populist convention was run in the same manner by Senator Allen in the chair and Mr. Harrington on the floor.

All Hopes are Gone. "It was generally conceded by the regular democrats of that convention that the party had thrown to the winds its hopes for a successful issue in the state campaign this year by permitting itself to be swallowed body and soul by the populists.

"What will the pops do? Why, they'll knife the democrats on the ticket as usual. Did you ever know them to do otherwise? Are they not already organizing for that purpose? Just think of it. The democrats gave them United States senatorship (Allen) elected for them Holcomb as governor twice, and Poynter once, and gave Poynter the nomination the second time. Did they ever help elect a democratic governor? Never. Two years ago they permitted us to name Billy Thompson for governor and then stuck the knife into his side. Did not Douglas county vote for Thompson 2,700 majority and was he not, nevertheless, defeated by nearly 4,000 in the state? No one knows better than Thompson that his defeat was occasioned by the pops. Ad. Com.
