WOMAN SHOOTS AT THREE BOYS Husband Slashes Neighbor with Knife

for Referring to It. RAVENNA, Neb., Aug. 19.-(Special.)-A very serious shooting affair took place

at the Cook farm west of Rayenna a few days ago and which was again brought to mind by a cutting affray yesterday. Monday last Frank Kozel, a farmer living near the Cook farm, was passing near that place and climbed over the fence to get an apple. He had no sopner entered the

orchard than he was scared by the discharge of a shotgun by Mrs. Cook, whom he had not seen before. He ran and was not injured. Soon after three boys, Harry Jungles, Frank Myers and Robert Holme who were working with a threaber, passed the Cook farm and stopped to get an apple. They had gone a short distance in

the orchard when they were startled by the discharge of a shotgun and Holmes fell. Jungles ran to his assistance and as he passed within fifteen feet of Mrs. Cook she shot at him, but missed. All three boys were quite seriously injured by the first shot and as soon as Holme recovers they intend filing complaint against Mrs. Cook. Yesterday, Mr. Cook went to the farm of Mr. Hunker to secure the services of Hunker Bros.' thresher. During the conversation Mr. Hunker referred to the shooting affray and Mr. Cook became so enraged at the mention

of it that he drew a knife and attacked Hunker with it, inflicting a slight wound across Hunker's abdomen. All parties concerned are prominent farmers in this locality.

Whatever may be the fact in the case, Barker will not hang on Friday, September 2, the day fixed by the Webster county district court for the execution. Attorney F. G. The animal was lying in a ditch and had evidently been dead for several days. On the sent in the buggy wate a coat and a vest and in these were letters addressed to James McKinney at Beatrice. Appearances indicated that the animal had fallen wer the bank while grazing and had broken its neck. A thorough search of the neighborhood was made, but no signs of McKinney's body were found.
