ably than his rival. His short same was invincible and the hard luck that came to Sawyer at several holes was mostly due to als own erratic work.

Of the subordinate events decided, Walter E. Egan, the defeated champion, won the Directors' cup from K. L. Ames of Glenview, 2 up, 1 to play. Phelps B. Hoyt, another former western champion, won the North Shore cup, defeating R. E. Hunter, Midlothian, 1 up in 29 holes.

In the morning round of the championship finals, Sawyer won the first two holes, each in 1 under bogey, and sent his third tee shot within seven feet of the flag, while Egan was short of the green. However, on a good approach and a long putt, Egan haived the hole. Egan took the next two holes by steadier playing and was on even terms. The sixth was halved and Egan won the seventh because Rawyer pulled his brassey out of bounds. Egan was I up at the turn and won the tenth, eleventh, welfth and thirteenth holes, partly because Sawyer's play was erratic, parily because Sawyer also had bad going luck on several abots, such for instance, as a soft spot on the tenth green that spolled a perfect approach shot.

After two halved holes, Sawyer's play steadled and holing in bogey or under, he captured the sixteenth, seventeenth and eighteenth holes, leaving him only 2 down on the morning's plays. Cards:
