SECULAR SROTS AT THE PULPTT.

Chicago Record-Herald: There is no reaon to believe that Bishop Potter will take the architehop of Canterbury to the moral swicen for the purpose of considering things over a bottle or two.

Philadelphia Ledger: A preacher of Brackingidge, Mo., who denounced one of the local merchants for giving away premiums in a mild lottery scheme, went a government lottery of the Rosebud reser-

thousand miles and took a chance in the ration. He is now asked to explain. Minneapolis Journal: Statistics recently ompiled showing the growth of the Salvation Army in the United States since 1866 are both instructive and suggestive. The 1,000 officers and employes of that year and institutions to 300; the institutions for the poor from thirty to 200; the amount spent for poor relief from \$20,000 to \$800,000. the question, now raised less frequently

than heretofore, is the Salvation Army to

make for itself a permanent place in the of the primate and metropolitan of Great Britain is more than a compliment to the shurch which looks to the Anglican estabshment with filial regard, though the tie that binds the two has been for genera tions historic only. The presence of the archbishop of Canterbury upon American soil is an event of interest to all Americans, regardless of creed. That the head of the English church will be welcomed with a warnyth that will make him feel as much at home in Boston as in Lambeth s a striking proof of the growth of tolerance in this country.

#### FREAKS OF RECENT STORMS.

The eighty-mile gale blew most of the git off St. Paul's halo A sheaf of wheat was carried five miles

and deposited it in the railroad yards at Minneapolis. During the bombardment of the Pioneer-Press building one of the rattled printers grabbed a shooting stick and fired it at

the elements. Lightning demolished two current fotions at Kansas City. It struck a church steeple twice and scattered a feather bed

in a private house. The cleanest sweep of the storm at St Paul was the house of J. Moffat. The three occupants were dumped into a nearby

pond and escaped injury, but the house disappeared in fragments. One of the revolving doors on the Fifth atreet side of the court house and city hall, Minneapolis, although some forty feet within the entrance and that distance from

the street door, was blown to bits by the

was literally conted with leaves and bird feathers that were blown into the fresh paint. The painters had quit work at 6 o'clock, and the fresh paint made a ready catch-all. Scores of sparrows were blown against the side of the house and killed.

A four-story flat building in St. Paul was struck, but the brick structure was not in-The wooden stairs and porches at the back, being firmly held together, were lifted by the wind to the top of the buildcounty attorney. This recalls the French ing and gently tilted over, being left lying unbroken and hanging over the edge.

A basewood tree, eighteen inches in diameter and with correspondingly heavy roots and foliage, was picked up from its home, nobody knows where, and laid gently down on the sidewalk at 221 Seventh street, Minneapolls. Not a branch was broken and boring in a worthy cause, but so long as the soft soil still clings affectionately to its roots. The freakish part of it is that no one can find where the tree came from.

### PERSONAL AND OTHERWISE,

Several sections of the Russian navy can be had at bottom prices. Guns factories abroad are working overtime, but there's nothing doing at The Hague peace palace.

It is doubtful if little Alexis will increase the czar's exercise. Walking the floor has been for him a steady job since the Japa got busy.

A chance for bald-headed men to shine elsewhere than in the pit blooms afar. In Paris hairless domes are utilized as advertising space.

Talk about the weather! The brand dispensed hereabouts is a round of joy with a cherry on top. Hence the high living and right thinking that obtains in the corn beit. 'Tis an ill wind that blows nobody good. All the billboards went down before gale in St. Paul, and measures are being adopted to prevent reconstruction of the

Cemetery superintendents are holding their annual convention in Chicago. Some of the ionliest cemetery and cemetery promoters in the country are to be found in Chicago, and the delegater, without much effort, can feel at home.

Down in Arkansas a doctor thought to be dead returned home after an absence of five months, and the joy caused by his return wasn't marred by the refund of \$19.000 paid by the insurance companies. That quality of joy is good enough to can.

"It's the penalty of the fatal gift of beauty. I won't fine the man, for I don't blame him for hugging," said a Chicago judge, adrdessing a young woman who had her ribs rudely shattered by an "old bear" of a man. The judge is one of the gallants who break into office through their talent in dispensing "taffy.
