ITCHING ECZEMA

In July, 1883, I began to break out with eczema on my head, legs and arms, and began treatment with cod liver oil, but did not get much relief. They said the disease had become chronic. I then quit them and tried various ointments and oops for another two years, but as soon as cold weather came I was as bad as ever, so I finally decided to let medicine alone and for twelve or thirteen years did nothing towards curing the eczema, except bathing. This seemed to do about as much good as anything I had tried.
