DOCTORS FOR MEN

A parent may transmit a weak sexual organism to his offspring, but it is usually the result of abuses, excesses or overwork. Emissions once established have a tendency to increase. Day losses, waste in urine and marked sexual decline often follow, together with a train of mental and physical symptoms, and the man passes from the boundaries of health into the confines of disease. He is often nervous, easily confused, absent-minded, forgetful, continually possessed of doubts and fears, shy, suspicious, irritable, hates female society and would rather be alone. The system unstrung, he has headache, backache, palpitation of heart, shortness of breath, dizziness, deranged stomach, weak liver, weak kidneys, poor circulation and is tired, listless and worn out. He lacks ambition, confidence and courage, for the tremor of weakness shakes his body, light for business, study or marriage, the jeer of men, sects, silence, brooding over his condition. Strange as it may seem, the strongest and most robust men are often those in whom the local disorders are the most severe. They gradually destroy the intellect, strangle and very manhood, secure the services of the eminent specialists connected with the State Medical Institute. They will stop these untoward drains with their terrible results and restore to sound health the pitiable victims of nervo-sexual debility, brain fatigue and wrecked manhood.

WE CURE QUICKLY AND THOROUGHLY

Stricture, Varicocele, Emissions, Nervo-Sexual Debility, Impotency, Blood Poison (Syphilis), Rectal, Kidney and Urinary Diseases,

and all diseases and weaknesses of men due to inheritance, evil habits, self-abuse, excesses, or the result of specific or venereal diseases.

CONSULTATION FREE If you cannot call, write for symptom blank.

Office hours—8 a. m. to 8 p. m. Sundays, 10 to 12 only.

STATE MEDICAL INSTITUTE

1305 Farnam St., Bot. 13th and 14th Streets, Omaha, Neb.
