SIDNEY, Neb., Sept. 15.—(Special Telegram.)—District Judge Grimes arrived here this evening and held a special September term of the district court for the purpose of accepting a plea of murder in the second degree for the trio, Thomas McIntyre, James Sullivan, alias Miles, and Walter W. Flynn, alias Harry Neville, the murderers of Theodore Frank Wisner, the faithful night watchman of the Union Pacific railway, who was killed last Saturday night about 10 o'clock.

County Attorney Mark Spangole read the information, after which the prisoners were asked how they plead. All responded, "Guilty," with the understanding that the court would accept their plea of murder in the second degree. Judge Grimes then asked all the attorneys in the case if they were willing to accept the judgment of the court. Judge Grimes then sentenced them separately to imprisonment for life. The sentence meets with universal approval and the county is spared a heavy expense and the law has been vindicated.

COMPANY C SAYS NOT GUILTY

Investigation of Charge Made by David City People.

NEBRASKA CITY, Sept. 15.—(Special.)—In accordance with orders issued by Adjutant General J. H. Culver to the various commanders of companies in the National Guard of the state, Captain Fred Carry of Company C, Second regiment, held an investigation at the armory yesterday relative to the charges that the members of the guard were ungentlemanly at the recent encampment at David City. Rigid examination and questioning of the members of the company merely brought out the fact that members of Company C had not only not offended in the manner described, but had witnessed no such actions by members of the guard. The officers testified that there was less rowdiness and far less drunkenness at the David City encampment than in any state encampment during their membership in the guard.

Mrs. Haskell, Worthy Vice-Templar, Independent Order of Good Templars, of Silver Lake, Mass., tells of her cure by the use of Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—Four years ago I was nearly dead with inflammation and ulceration. I endured daily unwhole agony, and life was a burden to me. I used used medicines and washes internally and externally until I made up my mind that there was no relief for me. Calling at the home of a friend, I noticed a bottle of Lydia E. Pinkham's Vegetable Compound. My friend assured it highly, and I decided to give it a trial to see if it would help me. It took patience and perseverance for I was in bad condition, and I used Lydia E. Pinkham's Vegetable Compound for nearly five months before I was cured, but what a change, from despair to happiness, from misery to the delightful exhilarating feeling health always brings. I would not change back for a thousand dollars, and your Vegetable Compound is a grand medicine.

"I wish every sick woman would try it and be convinced."—MRS. IRENE HASKELL, Silver Lake, Mass. Worthy Vice-Templar, Independent Order of Good Templars.—500,000 bottles of original Lydia E. Pinkham's Vegetable Compound.

HEMORRHOIDES CURED

Mr. E. A. Karner's Life Wasn't Worth the Snuff of a Candle Until Cured of Consumption by Duffy's Pure Malt Whiskey.

"The Effect Was Like Magic. I Felt Better From First Dose."

MR. E. A. KARNER, a Leading Citizen of St. Louis.

Like many a man and woman, Mr. Karner drifted into consumption through thinking he was too strong to doctor a mere cold. Only the use of Duffy's Pure Malt Whiskey at the critical moment saved his life. He says: "Early last fall I caught cold, but being strong and rugged, had an idea I could wear it off. I kept getting worse all the time. The trouble went deeper into the throat and developed a bad case of catarrhal bronchitis. Medicine seemed to have no effect. The poison worked into my lungs, and by February the doctors gave me up to die of consumption. Hemorrhages impoverished my blood; I lost flesh, and was completely prostrated.

With the republican party standing for equality and demanding the punishment of southern whites because they do not submit to negro domination the antagonism of the races will grow, and such deeds as that at Statesboro will be more frequent than ever. We are between the devil and the deep sea, but we will protect our women and we will stand by the principles and form of government of our fathers.
