

MANY NEW STUDENTS COME IN

Prospects for Largely Increased Attendance at State University.

GOOD PROGRESS ON THE KEARNEY NORMAL

Supreme Court Hands Down a Number of Opinions, Among Them a Tax Case Appealed from South Omaha.

(From a Staff Correspondent.)

LINCOLN, Sept. 22.—(Special.)—The registration at the University of Nebraska promises to surpass last year by a good margin, according to the statement of Secretary E. H. Clark. Over 300 students registered for the coming year in the first two days of the week that the offices were open. Nearly all of these were new students, as the older ones usually put off this little formality as long as possible and manage to squeeze in at the eleventh hour. The halls around the registrar's office were crowded today and a small army of helpers was kept busy looking over the credits of the applicants and explaining to them that they could not take more than seventeen hours during the first semester. There were also a few who were instructed that any sort of student could be able to carry more than eight or nine hours per week. Chancellor Andrews sat in his office and explained to the young men the necessity for becoming real soldiers under the command of Commandant Chase. He also assumed the task of demonstrating to the young women the advisability of physical as well as mental development, and dilated on the joys of gymnasium work. Some few of both sexes were excused, but they were not many, as it is the plan to build up a strong battalion this year.

The regular university classroom work will begin next Monday morning, and everything will be in readiness by that time, with the exception of the chemistry building.

Woman Dies of Burns.
Mrs. Margaret R. Weaver, of 1011 G street, who was badly burned on the night of September 7, by the explosion of a lamp, died today, after being treated first by Christian Scientists and later by physicians. The case excited a great deal of interest here in the city for the reason that the woman, who was a steadfast believer in Christian Science, refused until the last few days to consult a physician.

State Building Work.
The State Board of Public Lands and Buildings has awarded the contract for building the new state building to the firm of R. H. B. & Co., of St. Louis, Mo., for \$1,612,750, they being the lowest of four bidders.

Reports received from Kearney by the State Normal board are to the effect that work on the building is progressing nicely. Three-fourths of all the blocks have been made and are ready to be set. The building has gone to that height that it is now ready for the joists for the first floor. It is not probable, however, that it will be completed this fall.

Captain Hunsinger of the First regiment, stationed at Weeping Water, has made application and has been appointed to attend the military medical school at Washington, which begins October 1. In all there were seven applicants to take advantage of the government's offer for a free tuition in this school, but Captain Hunsinger is the only one who intends to take advantage of his appointment.

Supreme Court Proceedings.
The supreme court adjourned late this afternoon, after having been in session since Monday. The court failed to name a court commissioner, which it was expected would be done.

South Omaha Wins Tax Case.

The city of South Omaha secured a reversal in the case of Sarah McDavock, who sought in the lower courts to recover taxes paid under protest. The South Omaha charter of 1889 allows taxes to be paid before delinquency, under protest, and gives the right to recover the same back from the city if illegal. The court decided that a person seeking to take advantage of this provision must bring himself within the terms of the statute by paying the taxes before the whole amount is delinquent, otherwise he cannot recover. In the case of Lucy A. Coby against Mary J. Foxworthy, the court holds that the insertion of the word "gold" before the word "dollars" in a note and mortgage after their execution and delivery without the knowledge or consent of the defendant will not avoid the contract where the contents of the same as it originally stood can be ascertained. The case came from Lancaster county on error and judgment of reversal is entered and the cause remanded for further proceedings. It was an action to foreclose a real estate mortgage.

County Engineer Law Invalid.

The county engineer law was declared unconstitutional today in an opinion written by Commissioner Letton of the supreme court. The original act in Lancaster county was held that quo warranto was not the proper remedy under the circumstances. At this hearing the question was whether or not the law of 1903, chapter 22, page 280, passed in 1903, by which the county engineer was made ex-officio engineer in violation of the constitution. The court says it is clear that the act is a violation of section 15, article III, of the constitution, which prohibits the passage of local or special laws relating to counties and township officers, and further provides that in all cases where a general law can be made applicable no special law shall be enacted. The act of the legislature which regulates the county office and which by its terms limits its operation to counties having a population of 50,000 "according to the census of 1900," the court holds is local and special in its application, since it can never apply to any other counties than the two which were in the class at the time of the passage of the act. The act applied to Lancaster and Douglas counties only.

Must Serve Sentence.

Alfred Moline, twice convicted of fraudulently securing the names of Frederick Kraph and his wife to a deed to property valued at \$2,500, will have to serve out his sentence of two years and four months in the penitentiary, the supreme court today having affirmed the decision of the lower court. The case was once before in the supreme court and rehearing was granted. It came up from Phelps county and the defense argued that section 15 of the criminal code under which the information was filed was unconstitutional, because the title failed to cover the body of the law. The court held the section was constitutional.

John D. Smith, who with James Gaughan,

was convicted in the Douglas county court of having assaulted one Henry Herman in an attempt to rob him of 30 cents, has been sentenced to the penitentiary. The defense argued in drawing the indictment the words of the statute were not used. In his opinion Chief Justice Holcomb held that if words equivalent to the words used in the statute were in the indictment the information would be upheld.

Two Get New Trial.

E. L. Ferguson, convicted in Clay county of having received stolen property knowing it to have been stolen, has been given another run for his money by the supreme court. Ferguson was indicted because of an error in the instructions given by the trial judge to the jury. Bail killed Ballist after the two with the family of the latter had been to a dance. It was proved at the trial that the latter was under the influence of liquor at the time.

NEBRASKA METHODISTS ARE BUSY

Delegates and Clergymen Spend Day Listening to Sermons and Reports.

BEATRICE, Neb., Sept. 22.—(Special.)—The morning session of the Methodist Episcopal conference was opened yesterday by Bishop I. W. Joyce, assisted by the presiding elder and Rev. D. L. Thomas, pastor of Centenary church of this city, who administered the sacrament of the Lord's supper. Roll was called and most of the members of the conference reported. Rev. O. F. Fifer of York was unanimously re-elected secretary. Rev. Mr. Croshaw of Edgar re-elected conference treasurer and Rev. Mr. Gideon re-elected statistical secretary. Rev. D. P. Anderson of New York City was introduced and made a brief address, being followed by Rev. Dr. Dunham of Ohio, who made a short talk. He was unanimously requested to hold pentecostal services from 8:30 to 9 o'clock a. m. and also from 4 to 5 p. m. each day during the conference.

Rev. S. W. Dickinson of St. Paul presented briefly the interests of the American Bible society. Rev. I. G. Wright, presiding elder of the York district, reported his district.

Bishop Joyce then made a brief address, inviting both pastors and laymen to feel free to call upon him and consult him about the appointments.

The afternoon session opened at 2:30 with a hymn, being offered by Rev. Mr. Abbott of Geneva.

Rev. Croshaw of Edgar, who gave the conference sermon, took for his text Paul's words to Timothy, "Lay hold on Eternal Life." In forcible words and with intense earnestness he stressed that it is the joy of this life and what eternal life means as far as we are able to comprehend it. At 4 o'clock the pentecostal service, led by Dr. Dunham of Ohio, was held. It was largely attended and characterized by much earnestness and interest.

In the evening Dr. George W. Isham, treasurer of the Wesleyan university and for three years presiding elder of this district, spoke in the interest of this institution and gave a splendid report of its growth and its financial prosperity and its future needs.

Following him C. B. Spencer of the Central Christian Advocate made a strong plea for Methodist schools in general, and the Wesleyan in particular. His remarks were spiced with humor.

The main address of the evening was delivered by Dr. W. F. Anderson of New York, who is a scholarly and eloquent speaker. He drew the closest attention and frequent applause from the audience. His subject was the "Christian Ideal Education," which developed and educated all of man's God-given faculties and gave a complete life.

FREMONT, Neb., Sept. 22.—(Special.)—The annual meeting of the Nebraska German Evangelical Lutheran synod, which includes the Dakotas, Kansas and Oklahoma, as well as Nebraska, is in session here this week at the Lutheran church. About sixty-five clergymen were present at the opening session, yesterday morning and more arrived today. Rev. J. H. The election of officers resulted as follows: President, Rev. John H. Dierks, South Auburn, Neb.; vice president, G. P. Mueller, York, Neb.; secretary, Rev. J. Karpenstein, Wayne, Neb.; statistical secretary, Rev. E. Gienlachen, Glenville, Neb.; treasurer, Rev. Sickmann, Hastings, Neb.

Dr. L. P. Ludden of Lincoln secretary of the board of home missions, submitted his report for the year, which showed a considerable increase in the membership of the churches and greater contributions.

Dr. Yarger, chairman of the Church Extension society of the general synod, delivered an address upon the work of church extension in which he stated that 183 churches had received aid during the year. The balance of the afternoon session was taken up with routine business. In the evening there was a devotional service and preaching, which was quite well attended. This morning the business was resumed. President Trost of Midland college, Lincoln, Kan., which is under the control of the church, spoke of the condition and needs of that institution. A proposition will be brought up during the session of the synod to remove this institution to

FUSIONISTS NOT ENTHUSIASTIC

County Conventions in Butler Attract Small Crowd.

DAVID CITY, Neb., Sept. 22.—(Special Telegram.)—The fusionists held their county convention here today. This was the most quiet convention held in the county for years. The democrats met in the district court room, the populists in the supervisors' room. When the democratic convention was called to order not to exceed fifty delegates were in the room. Chairman Delaney apologized for this small attendance and hoped the democrats of Butler county would be in line this fall. The attendance at the populist convention was decidedly small, about twenty-five delegates constituted their crowd.

P. Fenton, democrat, and J. M. Rolan, populist, were nominated for representatives to congress, would speak, but when the time came for speaking only about 200 persons were in the room. Gilbert was the first speaker. He excused the democratic party for its platform and assured his audience that it did not suit him. He spoke one-half an hour, but failed to tell his hearers upon what platform he stood.

Berge confined his remarks to state issues, finding fault with the revenue law and the state administration in general. There was no enthusiasm at any time and no resolutions were introduced.

BEAVER CITY, Neb., Sept. 22.—(Special Telegram.)—At the mass convention of the democrats of Furnas county held today it was decided by a majority of 1 to not place a democratic ticket in the field. The populist county ticket was not endorsed. One of the delegates a life-long democrat, declared in the convention that he expected to vote for the entire republican ticket.

For the last two weeks posters have been scattered all over the county announcing that George W. Berge, candidate for governor, and Charles A. Gilbert, candidate for congress, would speak, but when the time came for speaking only about 200 persons were in the room. Gilbert was the first speaker.
