score fuert for once at Vinton Street park. Yesterday was ladies day, as well as schoolschildren's day, and a more inspiring sight than the thousands of little people who crowded the grandstand and bleachers to their utmost capacity would be hard to imagine. The young fans were on the qui vivi from start to finish and relished the game with a zest that would compare with many of the veteran fans. And the youngsters were impartial in the bestowal of Omaha their favors, although they wanted to see

win, yet they were quick to recosnize a brilliant play of the other team. Yesterday's crowd was variously estimated from 9,000 to 10,000 and the enthusiasm about 1,000 pounds to the inch. It was principally through the instrumentality of Councilman Dave O'Brien that arrange-ments were made to give the children an opportunity to see the game gratis, and, incidentally, Manager Rourke thinks it a good investment, yesterday's children being errow's fans,

tenta; afternoon, making live errors besides a number of back-woods plays, all of
which were promptly taken advantage of
Sioux City by the Saints. Even Nick Carter did not seem to have his lamps trimmed and burning, for he missed one of only two outfield flys the Saints made in the game. Diehi scored in the ninth on a wild throw from Schipke to Gonding, and an error by Howard in the fourth cost another run.

Hartman made two curtain - raising catches in center field, and Dolan caught one direct from Peer's bat in splendid style. In the eighth, with the score tled and only one man out, Welch sent out a fine three-bagger, and several in the grandstand thought they could see a sliver lining ons one of the clouds sailing across the diamond, but when the next two at bat went out in short, order they concluded it was merely an optical illusion. Then, in the ninth, when the Saints made the wineveryone was on the anxious seat until the Rangers closed the game by oting out in one, two, three order.
Pitcher Diehl, whom the Rourkes have

been pounding like a mummy, was in excellent form yesterday, which fact contributed in no small degree to the victory won by the Saints.

NORTH LOUP Neb., Sept. 23—(Special.)

Grand Island and North Loup played
ball yesterday and the day before at Ord
at the time of the county fair. On Wednesday the game was a fairly good one, but
neither side did itself justice because the
day was so cold. Score, I to 0 in favor of
Grand Island. Thursday's gime was a
hummer from the first, as both teams
played to win. Grand Island succeeded in
getting one score in the first and then
they were all in not being able to se
farther than second base after that. North
Loup was shut out until the ninth when.
one score was made. As the Grand Island
players had to take the train at the close
of the tenth, the game was called, and by
the decision of the umpire was given to
North Loup. During the progress of the
I game the pitcher for Grand Island, Mo-

Closky, became angered at the rooters because of the roasting the players were getting and threw the ball at a fellow who was making the most noise. No one was hurt, but the player was arrested and fined \$10 and costs. In the last game the Grand Island fellows were outplayed at every point.

LYONS, Neb., Sept. 23.—(Special.)—In a game of base ball here today the single men defeated the married men in a one-sided contest by the scores of 12 to 5. The single men gun in scores as they pleased and would have scored a shut-out but for a few decisions by the umpire, who was a married man and tried to even things up a little. The feature of the game was the pitching of Fisher, who had the married men at his mercy, striking out fourteen men. Score:

ALLENTOWN, Pa., Sept. 23.—Before 10,000 people today Prince Alert established a new mile track record by pacing a mile in 2:65% without a shield at the Alientown fair races. He made the same time at Bethlehem, Pa., on September 19 last year, but a shield was then used. His time by quar-

ters was: 0.29%, 1:00, 1:31, 2:032, Conditions today for fast time were ideal. The great pacer was driven by Jack Curry and was paced by a running horse.

She went wrong in the second heat which was characterized by Snyder McGregor winning the mile in 2:07%. The McGregor horse would not trot in the final mile. OLYMPIC GOLF FINALS TODAY

Egan and Lyon Will Compete for Gold Cup.

ST. LOUIS, Sept. 23.—Finals tomorrow for the Olympian golf championship will be contested in real international style, by Champion H. Chandler Egan of Exmoor and George S. Lyon of Toronto, Canada. Each won his match today in the semi-final game, Egan defeating B. P. McKinnie, St. Louis champion, 4 up 3 to play. It was not until the last putt that was holed on the thirty-sixth green that the Canadian ex-champion eliminated from the tourney F. O. Newton of Seattle, Wash. Battling hard for two rounds, victory appearing to rest first with the Pacific coast man and then with his veteran rival, Newton had to succumb to hard luck and lost, I down. Gold Cup. I down.

Everything was favorable for a day of strenuous golf. The galleries that followed the matches were large and the predictions of the experts that possession of the massive Olympian cup and gold medal would be fought for by the American and Canadan were fulfilled. Better golf than in the semi-finals could not be asked. After a most interesting morning battle the Canadian had a lead of one hole. Only one stroke in medal play separated them. At the fifth hole Newton was 2 up, but at the twelfth hole Lyon was 3 up. A burst of wonderful playing brought Newton to the end of the first eighteen holes only I down.

The Canadian took the nineteenth hole, but at the twenty-first hole the match was square. Three putts on the twenty-third green lost that hole to Newton, but he wan the Twenty-fourth, while Lyon took the twenty-sixth. The twenty-seventh was halved in 2. Not in years has a gallery seen such play as the men displayed on the twenty-seventh green. Each drove the green, Newton being away. Judging the hill nicely Newton holed the putt. Not to be outdone by his Seattle rival, whose

twenty-foot putt was a wonder. Mr. Lyon negotiated his putt from sixteen feet.
The match was all square at this point. Newton took the twenty-eighth hole, but lost the thirty-first by going into the ditch. Poor putting lost him the next, losing four strokes on the green. Lyon lost the thirty-third, but won the thirty-fourth and the thirty-fifth was halved. Almost holing his approach, Newton had to be satisfied with a half at the thirty-sixth green and the Canadian earned the right to play in the finals, 1 up. The card follows.
