Number of City Churches United for a

Series of Meetings. EVANGELIST WILLIAMS TO BE IN CHARGE

Special Cherus Choir to Lead the Music Under the Direction of Mr. Hicks-Other Church Services.

the series of revival meetings to be conducted by Evangelist Williams in the tabernacle at First avenue and Seventh street under the auspices of the Council Bluffs Pastors' association will commence today, when two services will be held, the first at S o'clock in the afternoon and the other at 7:30 o'clock in the evening. Evangelist Williams will be assisted by Chorister J. E. Hicks, who will direct a choir of thirtythree voices organized from the different churches of the city. The churches which will take part in these revival meetings are the First and Second Presbyterian, First Congregational, Broadway Methodist, Trin-

Baptist and First Christian. At the afternoon meeting Evangelist Williams will deliver his lecture entitled With Tent and Saddle in Palestine," being a narrative of his trip through the holy land. In the evening the subject of his address will be "The Bible, is it of God?" Chorister Hicks will be assisted by the

#### What Sulphur Does

For the Human Body in Health and

The mention of suiphur will recall to many of us the early days when our mothers and grandmothers gave us our daily dose of sulphur and molasses every spring and fall.

It was the universal spring and fall "blood purifier," tonic and cure-all, and, also expected to be present. mind you, this old-fashioned remedy was not without merit.

The idea was good, but the remedy was tity had to be taken to get any effect. Nowadays we get all the beneficial ef-

fects of sulphur in a palatable, concenmore effective than a tablespoonful of the | a baby apparently about two months old crude sulphur

medicinal use is that obtained from Calcium (Calcium Sulphide) and sold in drug stores under the name of Stuart's Calcium Wafers. They are small, chocolate coated pellets and contain the active medicinal principle of sulphur in a highly concentrated, effeetive form.

Few people are aware of the value of this form of sulphur in restoring and maintaining bodily vigor and health; sulphur acts directly on the liver and excretory organs and purifies and enriches the blood by the prompt elimination of waste material.

Our grandmothers knew this when they dosed us with sulphur and molasses every spring and fall, but the crudity and im purity of ordinary flowers of sulphur were often worse than the disease and cannot compare with the modern concentrated preparations of sulphur, of which Stuart's Calcium Wafers is undoubtedly the best and mostly widely used.

They are the natural antidote for liver and kidney troubles and cure constipation and purify the blood in a way that often surprises patient and physician alike.

Dr. R. M. Wilkins, while experimenting other form. He says: "For liver, kidney and blood troubles, especially when resulting from constipation or malaria, I have been surprised at the results obtained from Stuart's Calcium Wafers. In paeven deep-seated carbuncles, I have rerepeatedly seen them dry up and disappear in four or five days, leaving the skin clear and smooth. Although Stuart's Calcium Wafters is a proprietary article and sold by druggists, and for that reason tabooed by many physicians, yet I know of nothing so safe and reliable for constipation, liver and kidney troubles, and especially in all

forms of skin disease, as this remedy.' At any rate, people who are tired of pills cathartics and so-called blood "purifiers" will find in Stuart's Calcium Wafers a far safer, more palatable and effective prepara-

ened by a noise in the kitchen resembling the wailing of an infant. They arose to investigate, and, to their surprise, discovered, trated form, so that a single grain is far lying on an unoccupied bed in the kitchen, By the side of the little stranger, which In recent years research and experiment was nicely dressed, were a bottle of milk, have proven that the 'best sulphur for a bundle of extra clothing of fine texture a small pocketbook containing \$2 and attached to the child's clothing was a note written in pencil asking that the little one be well cared for

Mr. and Mrs. Thomas are in the habit of leaving the kitchen door unfastened and it is supposed that someone familiar with their habits placed the infant in the bed. Up to last evening no clew as to the person who left the child in the Thomas home had been discovered, but Mr. and Mrs. Thomas stated they would keep the little one for the present at least.

Matters in District Court.

In the district court the jury in the suit of D. J. Fogarty against the Milwaukee rallway, the jury returned a verdict for the defendant company. Fogarty sued for \$1,900 damages, which he alleged to have sustained by the railroad's delay in delivering a shipment of nursery stock.

The trial of the suit of C. I. Rafter against B. Wilson was begun. In this case the plaintiff sued to recover \$150 for fruit trees delivered to the defendant. The latter denies the liability and contends that he gave the use of his land to the plainwith sulphur remedies, soon found that the tiff for a sample orchard. Rafter to take sulphur from Calcium was superior to any the proceeds of the orchard until the trees were paid for.

Anton Land filed original notice of suit against Hollenbeck brothers, claiming \$1.-000 damages for having the fingers of his right hand crushed while in the employ of tients suffering from boils and pimples and the defendants, who are engaged in the

Part of Broadway to Be Paved. The prospects for the paving of a portion, at least, of Broadway are growing brighter. Mayor Macrae and several of the aldermen held a conference yesterday morning, at the city hall, at which it was decided that initiatory steps towards the paving should be taken at the meeting of the city council Monday night. The intention is to first pave five blocks between Thirteenth and Eighteenth streets, and City Engineer Entyre will be instructed to prepare the necessary estimates. The resolution providing for the paving, which as already been introduced, will, it is expected, be adopted at a subsequent meeting. It is proposed to pave the street with Galesburg block on concrete base.

Ten Building Permits. Ten building permits aggregating over \$18,000 were issued yesterday by City Clerk Zurmuchlen to the Consolidated Construc-

were as follows:
