

CONSUMPTION CURED AT HOME

"Keep the System Toned Up with DUFFY'S PURE MALT WHISKEY, and Any Case of Consumption Can Be Cured and Prevented, No Matter Where You Live or What Your Occupation."

"It's Unsatisfactory, Cruel and a Mistake to Send the Afflicted to California, Colorado, Etc., in the Delusive Hope of Recovery."

"The Fight Must Be Made Right at Home Where the Disease Started."

So Agree Lung Specialists Attending the Medical Association's Convention at Atlantic City.

Dramatic Agent Putnam Thankfully Tells of His Providential Recovery by Duffy's Pure Malt Whiskey.

"I was flat on my back in Cincinnati. It was after ten long, hard months on the road as advance agent for theatre companies. I had to be up early and late exposed to all kinds of weather; often soaking wet and chilled to the bone. My system could stand it no longer. I caught a heavy cold and it settled on my lungs. Doctors dosed me as usual, but I was steadily going to a consumptive's grave."

"An old actor friend recommended Duffy's Pure Malt Whiskey. I tried it. Felt better the first week. In two weeks doctor said he needn't call again, to keep on taking Duffy's and I'd soon be cured. And I am cured, strong, husky, never better in my life, and it took only four bottles. Have come through another season in perfect shape." C. PUTNAM, care Billboard Publishing Company, Cincinnati, Ohio. July 30, 1904.

MR. C. PUTNAM—Cured of Consumption by Duffy's Pure Malt Whiskey. The secret of the marvelous success of Duffy's Pure Malt Whiskey in curing and preventing lung troubles lies in the fact that it's the greatest strengthener and health builder known to medicine. It not only checks the ravages of the disease itself, but replaces the weakened, destroyed tissues; helps the stomach to more perfectly digest and assimilate food in order that more, richer, and purer blood may be produced, and that the circulation will be strong and powerful, carrying health and vigor to every organ and part of the human body. The idea that a consumptive's only chance for life is to send him to Colorado or California to "rest himself" to death, was effectually exploded at the Medical Association's Convention, a few months ago at Atlantic City, where leading consumption specialists declared that the only successful place to treat lung troubles was right at home, where the disease originated, and that Duffy's Pure Malt Whiskey is the most effective means of fighting this aerial scourge to the human race.

Duffy's Pure Malt Whiskey is absolutely pure and free from fusel oil—the only whiskey recognized by the Government as a medicine. It has been prescribed by doctors of all schools and sold by reliable druggists and grocers everywhere for over 60 years. It is a bottle. Every testimonial is published in good faith. See the booklet free.

CAUTION—Be sure you get the genuine Duffy's Pure Malt Whiskey, manufactured by Duffy Malt Whiskey Co., Rochester, N. Y., and put up in sealed bottles, with the "Old Chemist" trade-mark on the label. It never sold in bulk. Beware the many substitutes and imitations offered by unscrupulous dealers, because of the extra profit. They not only will not cure, but are positively dangerous.

CANDIDATES FOR CITY JOBS

Three Republicans for Water Board and Five for School Board.

BOB CLANCY FAILS TO WORK HIS BLUFF

John N. Baldwin's Chief Political Emancipator Makes Vain Threats to Knock Fittle Off Legislative Ticket.

The time for filing the petitions of republican candidates for the water board and for the school board expired at noon today. For the water board three names will be put before the voters for their choice at the primary Saturday, namely, Frank J. Weller, R. B. Howell and Charles J. Kaspar. For the school board only five names were filed, so that under the rules adopted by the committee they will be certified and nominated without balloting. The school board names are:

Daniel B. Ebnis, Second ward, producer and commission man.

Edgar A. Baird, Ninth ward, attorney.

James C. Lindsay, Sixth ward, Douglas Printing company.

J. O. Philipp, Eighth ward, general agent Missouri Pacific.

William H. Koenig, Seventh ward, Thomas Kiltpatrick & Co.

Of the candidates for member of the water board the voters will require more information.

Charles F. Weller, vice president of the Richardson Drug company, is a native of Ohio. He removed with his parents to Missouri while a mere boy. At the age of 17 he enlisted in the Union army and was in active service during two years and a half, participating in all the general engagements in the army of the Cumberland and in Sherman's march to the sea. After the close of the war he accepted a position as traveling salesman for a wholesale drug house in Quincy, Ill., and a few years later became a member of the firm. In 1873 the firm was dissolved and Mr. Weller engaged as traveler for the Richardson Drug company of St. Louis. In 1887, the Richardson Drug company's Omaha house was founded.

Frank J. Kaspar has been a member of the police force, a city councilman and a member of the Board of Public Works at various times, all at the hands of republicans. He wanted to run for tax commissioner in 1897, and failing to get the nomination in the republican convention, turned free silverite and sought it from the fusionists. He then turned populist and got a good contract for prison labor from the populist state officers, and after the populist lost the statehouse, turned republican again. He is now engaged in the coal business. He is a Bohemian by birth.

The committee has not yet determined whether the water commissioner will be voted for on a separate ballot, or whether this office shall be added to the list on the legislative and county ballot.

The activity of John N. Baldwin and the railroad interests he represents in the local legislative situation is illustrated by an incident that happened last week. As soon as it was disclosed by the filings that Frank J. Fittle the popular ex-councilman from South Omaha was in the race for nomination for the legislature the redoubtable Bob Clancy, who is now on the Baldwin payroll as confidential political agent, was dispatched to Lincoln to see what he could do to force Fittle off by bringing pressure on the office of public lands and buildings where Mr. Fittle has been employed as bookkeeper. Clancy went to Deputy Commissioner Eaton, who is the republican nominee for the position of land commissioner.

"You'll have to pull this fellow Fittle off," said Clancy.

"I don't see how I have anything to say in the matter," replied Eaton.

"You'll have to get him off just the same."

COMING COUNTY PRIMARIES

First Instance of Direct Nomination of Legislative Candidates.

HOW OFFICIAL BALLOT WILL BE MADE UP

Republican Voters Must Inform Themselves on the Candidates—Something About Each of Them.

The republican primary which is to be held in this Douglas county next Friday, October 7, promises to be of unusual interest for more than one reason. In the first place it starts the innovation in Nebraska of direct primary nominations of candidates for the legislature and for county offices. Direct primaries have been held in Lincoln for the nomination of republican candidates for its city offices and in this county for the selection of delegates to the state and congressional conventions, and for the expression of preference by which such delegates were to be instructed by the coming primary for the first time in this connection eliminates the nominating convention altogether and provides for the issue of certificates of nomination by the canvassing board directly to the candidates securing the highest popular vote.

The introduction of a direct primary system by the republican organization in this county is the result of the gradual crystallization of sentiment in that direction and the disgust of republican voters with the repeated charges of irregularity and manipulation of the vote which have been made in Lincoln for the nomination of republican candidates for its city offices and in this county for the selection of delegates to the state and congressional conventions, and for the expression of preference by which such delegates were to be instructed by the coming primary for the first time in this connection eliminates the nominating convention altogether and provides for the issue of certificates of nomination by the canvassing board directly to the candidates securing the highest popular vote.
