NEWS OF INTEREST FROM IOWA

COUNCIL BLUFFS

BLUFFS DAY TO CELEBRATE

Honored by Exposition with Designation of Council Bluffs Day.

DENIAL OF ILL FEELING OVER MATTER

Chairman of Executive Committee of Commercial Club Insists There Is No Foundation for the Story.

Regarding the statement in an evening paper that Mayor Macrae had written to the Commercial club stating that he had decided to withdraw his proclamation naming today as Council Bluffs day at the St. Louis exposition, H. W. Binder, chairman of the executive committee of the Commercial club, said last evening that there was not the slightest foundation for the statement.

Mr. Binder also denied that there was any friction between the club and Mayor Macrae. He said that when the mayor referred President Francis' request that this city name a day during Iowa week at the exposition to the Commercial club, there was not a quorum present at the meeting and the letter was referred back to the mayor with the request that he fix the day, which he did. The executive committee of the club at its meeting Saturday passed a resolution urging everyone who could to attend the exposition on Council Bluffs day. The Commercial club, Mr. Binder said, had done all it could to "boost" Council Bluffs day and it was not its fault if the citizens did not respond.

DEFENDANT MUST BE IN COURT

Judge Refuses to Hear Case of Fainting Bertha.

The hearing in the matter of "Fainting" Bertha Liebecke's appeal from the action of the local board of commissioners adjudging her insane and ordering her committed to the state asylum at Clarinda, has been indefinitely postponed. Although both County Attorney Killpack and Attorney Chambers, who has been retained to represent the young woman at the hearing, were anxious that the case should be disposed of, Judge Macy yesterday held that the young woman herself must be in custody and present at the hearing before the jury.

Bertha has not been seen in Council Bluffs since her second escape from St. Bernard's hospital last Thursday evening, the night of the Ak-Sar-Ben electrical parade, when she is said to have resorted to her old tricks and relieved a Wyoming ranchman of his roll containing $140. According to the latest reports received by the authorities of this city, Bertha had migrated to Helena, Mont.

Attorney Chambers, Bertha's counsel, has an agreement with the Board of County Supervisors, whereby the county is to pay his fee in the appeal case. The supervisors are anxious that Bertha should win her appeal and be declared sane, as in that event this county would be relieved from liability for her transportation back to this city from points where she may be arrested. If, as a result of the hearing of the appeal a jury finds that the young woman is mentally responsible, she can then be treated as a criminal and incarcerated in the penitentiary.

Teamster Dies Suddenly.

Louis W. Young, while hauling sand from the Wickham banks in the northern part of the city yesterday afternoon, was seized with heart trouble and died before medical aid could reach him. He had hauled two loads and had the third about two-thirds loaded when he was seen to drop his shovel and fall to the ground. Men working at the pit with him went to his assistance, but he died in a few minutes without speaking. Coroner Treynor was notified and after investigating the circumstances decided that an inquest was unnecessary, as Young's death was undoubtedly due to heart failure.

Young was a veteran of the civil war, having joined the union army August 17, 1862, as a private in company D, Ninth Minnesota volunteers. After a service of three years he was discharged August 24, 1865. He was a member of encampment No. 8, Union Veteran legion, of this city. He was 65 years of age and resided with his family at 807 Avenue D. His wife, two married daughters and two sons survive him.

ARREST MURDER SUSPECTS

Three Men Caught at Valley Junction Charged with Slugging Atlantic Man.

CIRCUMSTANCES POINT TO THEIR GUILT

Cashier of New Liberty Savings Bank Hopes to Secure Money to Straighten Up Affairs of the Concern.

(From a Staff Correspondent.)

DES MOINES, Oct. 12.—(Special.)—Three men were placed under arrest at Valley Junction, a suburb of Des Moines, this afternoon, accused of the robbery and probable murder of George Webb at Atlantic last night. One of the men, a negro, had $70 on his person at the time of the arrest, and as theis was about the sum which was taken from Webb it is believed the men are the right ones. The officers from Atlantic took the men back there this evening. Webb is a farmer who attended the street carnival at Atlantic and was made drunk by hangers-on at the carnival. Two men were seen last evening carrying him into an alley. During the night he was found in a barn, his body and head much bruised and his pockets rifled. He was taken to a hospital and the doctors declared he could not live. He had been quite wealthy at one time, but met with reverses and lost all, and of late has been employed on a farm. The men arrested here gave the names as Peter Paulsen, William Posey and William Miller. They came through from Atlantic on a late night train and have been identified as persons who were seen at the Atlantic carnival.

The State Association of Iowa Railway Surgeons today elected the following officers: President, C. B. Powell, Albia; vice president, W. Van Werden, Des Moines; treasurer, E. C. McNeal, Delmar; secretary, A. B. Deering, Boone. Many matters of interest were discussed and Dr. J. W. Cole of Oelwein made a proposal that there be established a national organization of railway surgeons for the purpose of securing from the railroad companies the recognition which the profession merits and especially with reference to a recognition like that of the legal department. No definite action was taken. The association passed a resolution in memory of the late Dr. W. J. Williams of Adel, who was treasurer of the association and prominent in its affairs.

Cashier Is Confident.

Assistant Attorney General DeGraff went to Davenport today to appear for the state banking department in having a receiver appointed for the New Liberty Savings bank and in the prosecution of Cashier Beuthien. Beuthien has been released on $5,000 bonds and went to Chicago to try to get money to straighten out affairs. When informed that other warrants were out for him, he asked for a few days time and announced he would be back to fight the case, as he feels he has committed no crime. The shortage in the bank is large, but has not been fully figured out.

A few months ago Father Brose visited Duncan and while in a store at that place with a number of Bohemians, exhibited a bottle of carbolic acid and some other ingredients, which he said he was going to use on his horse. Burda, in a spirit of bravado, drank most of the contents of the bottle and died. His widow brought suit against the priest. The verdict was returned on the ground of criminal carelessness.

Creston Will Pave Alleys.

CRESTON, Ia., Oct. 12.—(Special.)—At a meeting of the council chamber Monday evening the question was brought up of paving the alleys in the business section of the city. Bids will be called for and the work begun at an early date. The objections were mostly on the ground of the lateness of the season and the expense of paving.

In the Catholic and Episcopal churches, however, women are not allowed to wear their hats. A PUBLIC TOOTH BRUSH

A noted dermatologist says, "The time is coming when an unsterilized public hair brush will be as rare as a public tooth brush." The reason is that dirty hair brushes spread dandruff, and true dandruff is now known to be a contagious disease that will, sooner or later, cause baldness. A writer in Medical Review of Reviews says, "School children should know that it is dirty to use another's hair brush." Newbro's Herpicide renders public hair brushes harmless by destroying the dandruff microbe. A delightful hair dressing. Gives wonderful results.
