NAVAL CADETS BEAT TIGERS

Last Year's College Champions Go Down Before the Middies.

SUBSTITUTE WINS FOR THE SAILORS

Deciding Score Made by Norton, Who Had Never Played on a Varsity Eleven Before.

ANNAPOLIS, Oct. 15.—The navy football team, so hopelessly defeated by their army rivals last year, today won last year's college champions, the Princeton Tigers, the score being 10 to 3. The first score was made by Princeton through a field goal by Tooker. After getting the ball muddled the Tigers sent Fouke around the navy's left end for twenty-five yards. King followed this by clearing the opposite end for twenty-five more, placing the pigskin on the navy's twenty-yard line, where the navy forced its opponents to kick. After this score honors were about even till Douglas, in the middle of the field, punted for the navy. The ball went behind the goal posts, was touched by Buck, who fumbled through Farley's jostling him, Whiting falling upon the pigskin for the navy. Whiting kicked goal. The Tigers became desperate after this and forced their opponents back until Fouke got around the end for a forty-yard run and scored near the side line. The ball was punted out for a try goal, which, however, was blocked. The advantage through the second was entirely with the navy. Princeton's fine team work being offset by the brilliant individual work of the midshipmen. With the ball in their possession on their twenty-yard line, the third down called, and their inability to gain starting them in the face, the midshipmen called upon Norton, a youth who has never played on the varsity before. He was sent in to replace Wilcox at quarter. He received the ball from McClellan, taking most infinite care to place it squarely before the post for a field goal, which drove the score up to 19 against Princeton's 9 points.

"77" Cures Grip and COLDS

However often we take Cold, we seldom recognize the first symptoms: the languid, tired feeling; the lack of energy and strength; the blues, and dark foreboding of some impending illness. This goes to show what a wrench the system gets by the checked circulation of the blood when a Cold is taken. The next time you feel so, take a dose of Dr. Humphrey's "Seventy-seven." It will restore the circulation, start the blood coursing through the veins and break up the Cold—making life worth living. "77" for Grip, Coughs and Influenza. At Drugists, 25 cents each, or mailed. Catarrh of the Stomach.

A Pleasant, Simple but Safe and Effective Cure for It. Catarrh of the stomach has long been considered the next thing to incurable. The usual symptoms are a full or bloating sensation after eating, accompanied sometimes with sour or watery risings, a formation of gases, causing pressure on the heart and lungs and difficult breathing, headaches, sickle appetite, nervousness and a general played out, languid feeling. There is often a foul taste in the mouth, coated tongue and if the interior of the stomach could be seen it would show a slimy, inflamed condition. The cure for this common and obstinate trouble is found in a treatment which causes the food to be readily, thoroughly digested before it has time to ferment and irritate the delicate mucous surfaces of the stomach. To secure a prompt and healthy digestion is the one necessary thing to do and when normal digestion is secured the catarrhal condition will have disappeared. According to Dr. Harrison, the safest and best treatment is to use after each meal a tablet, composed of Diastase, Aspicin, Peptin, a Little Nux, Golden Seal and fruit acids. These tablets can now be found at all drug stores under the name of Stuart's Dyspepsia Tablets and not being a patent medicine can be used with perfect safety and assurance that healthy appetite and thorough digestion will follow their regular use after meals.
