LINCOLN, Oct. 20.—(Special Telegram.)—The University of Nebraska eleven defeated the Lincoln Medics today in a contest that was little more than a practice romp for the pupils of Coach Booth. Short halves on a muddy field resulted in a score of 23 to 0 in the Cornhuskers' favor. The Medics only once made their distance on downs, while the Cornhuskers plowed the way through practically as they pleased. York Team Has Hard Luck.

YORK, Neb., Oct. 20.—(Special Telegram.)—York hoped to have another championship high school football team again this year, and while they have a good team, many things have occurred to discourage them. Owing to the building of a new central school building, which will cost, when completed, over \$50,000, school was not opened until late, and the members of the team have not had the practice they should have had, and one college in Nebraska has secured one of the star players of the team. One football player had three offers to attend different colleges, offering him his tuition and board to become a member of their team.

COMPROMISE DIVORCE CANON

Episcopal House of Deputies Adopts an Amendment to Law of Church.

MAY REMARRY AFTER ONE YEAR'S TIME

Minister Refusing to Perform Ceremony for Any Divorced Person Shall Not Be Subject to Discipline.

BOSTON, Oct. 20.—By an overwhelming majority a compromise canon on the remarriage of divorced persons was adopted by the house of deputies of the Episcopal general convention today, and if it is concurred in by the house of bishops the most important issue that has come before the present convention will be disposed of for at least three years. The compromise measure, like the old law, permits the remarriage of the innocent person in a divorce for the cause of inidelity, but further provides that no remarriage shall be allowed within one year after a decree has been issued by a civil court. Satisfactory proof of the innocence of the applicant for remarriage must be furnished in the shape of court records, and after the consent of the bishop is obtained a clergyman may refuse to perform such a ceremony without subjecting himself to censure or discipline.

In the opinion of Francis A. Lewis of Philadelphia, a member of the committee on canons, who favored no remarriage of any divorced persons, but who accepted the compromise, the canon adopted today is so strict that if endorsed by the bishops it will practically put the church, as he expressed it, "out of the divorce business." Others, however, claimed that they saw "loopholes" in it. The vote on the passage stood: Clericals, 53 dioceses for, 7 against, 2 divided. Lay vote, 46 dioceses for, 5 against, 2 divided.

The house of bishops today nominated Rev. Henry D. Ayes of Houston, Tex., for missionary bishop of Mexico, to have supervision over English-speaking congregations in that country.

A two days' session of the national council of the Clerical Union for the Maintenance and Defense of Catholic Principles, a high church organization, was opened with solemn vespers at the Church of the Advent tonight. Bishop Isaac Lee Nicholson of Milwaukee, president of the union, officiated.

The house of deputies and the bishops, sitting jointly as the board of missions, heard reports from the mission fields this afternoon. Tomorrow the house of deputies will take up the election of missionary bishops for Hankow, China; Salt Lake City, Cuba and Mexico.

Announcements of the Theaters.

"The Jewel of Asia," in which Miss Vera Michelena and the John P. Slocum company will be seen at the Boyd for two performances, beginning on Sunday evening, is by Frederic Ranken and Ludwig Englander, and has been most successful. It contains much pretty music, some of the choicest of comedy and gives the customer splendid opportunity for the creation of stage pictures. Stuart Hyatt, who has the leading comedy role, was chosen by Manager Slocum for his peculiar fitness for the part and has been a genuine hit. The piece will be presented on Sunday and Monday evenings. It will be followed by DeWolf Hopper and company in "Wang." The Hopper engagement is for Tuesday and Wednesday evenings and a special matinee on Wednesday.

Mr. and Mrs. Drew continue to score heavily at the Orpheum in their comedy sketch, entitled "When Two Hearts Are Won." Their work is finished and pleasing and the short play in such hands is sure to receive careful consideration. The bill as a whole is giving very good satisfaction and drawing full houses. A matinee will be given tomorrow.

Prize Fight Prevented.

The twenty-round preflight between Kid Jensen and "Hatch" Smith, scheduled to be pulled off at Washington hall last night, was indefinitely postponed, as the police acting under orders from Mayor Moore, refused to allow the fight to take place. Nothing was known of this decision until the last moment, and a large number of people, many of whom had purchased tickets, gathered at the door only to be informed by Sergeant Sigwart that the fight was declared off. The crowd was scrambling among the crowd. Those interested declared last night the fight will be fought at a later date, even if the combatants have to go out of town to do so.

Get-Rich-Quick Concern Raided.

CHICAGO, Oct. 19.—The police today raided the offices of the Actna Express company on an alleged "get-rich-quick" concern. Dr. A. B. Silverston, general manager of the company, was arrested. DOCTORS FOR MEN

Are YOU one of the many thousands of WEAK MEN and do you wish to be cured? Multitudes bring on themselves horrors of a life-long disease by unnatural habits. Thousands of men are prematurely old and diseased through excesses and unnatural drains which sap the foundation of life, destroy their health and strength, leave them a mental and physical wreck. Not knowing where to apply for a cure, many of these poor sufferers, laden with disease, remorse and humiliation, silently suffer on, going from bad to worse, or they experiment with too many "Free Treatment" and "Quick Cure" Schemes.

By our system of electricity and medicine combined we cure quickly, safely and thoroughly diseases and weaknesses of men after all others have failed. Our object is not so much to do the work that other doctors can do, but rather to cure obstinate cases which they cannot successfully combat. All that deep knowledge, expert skill, vast experience and thorough scientific office equipment can accomplish are now being done for those who come under our professional care. We have investigated and tested all the known methods for the treatment and cure of special diseases and weaknesses of men, which gives us the right to judge between the false and the true, between shallow pretension and solid worth, between substance and shadow. Musty theories cannot stand out against our mode of treatment, against progressive medical science, new discoveries and undisputed facts of cases cured to stay cured.

WE SUCCESSFULLY TREAT AND SPEEDILY CURE
 Stricture, Varicocele, Emissions, Nervo-Sexual Debility,
 Impotency, Blood Poison (Syphilis), Rectal,
 Kidney and Urinary Diseases,

and all diseases and weaknesses of men due to inheritance, evil habits, self-abuse, excesses or the result of specific or private diseases.
