Nicoll THE TAILOR

W. G. JERREMS, Pres.

209-211 S. 15th Street.

It's a Toss Up

with some men—whether to have their garments made to measure—or to buy ready-made garments.

It wouldn't be—if they knew the kind of fabrics—the kind of tailoring—and the moderate prices—to be found at Nicoll's.

We'll meet the price of ready-made—with better garments to measure.

Trousers.....\$5 to \$12
Suits.....\$20 to \$50

We would as soon try to hold water in a sieve and save it—as to offer our trade—a mean style—poor workmanship—or an unfair price.

Over a hundred fabrics to select a \$20 suit from—and the assurance that garments at this price will receive the same careful attention as do the higher priced fabrics.

FRED PAFFENRATH, Mgr.

Accurate Oven Thermometers

There is a certainty and satisfaction about the baking done in Moore's Thermometer Ranges that is unequalled. Thousands of these ranges are in use and they are especially in favor with particular housekeepers who have a reputation for good cooking.

You are invited to call and whether you wish to purchase or not, we shall be pleased to show you the working of the thermometer, the Hinged Top, the Controller Damper and the many other points in which Moore's Ranges excel all others.

HERPICIDE WILL SAVE IT! HERPICIDE WILL SAVE IT! TOO LATE FOR HERPICIDE! NEWBRO'S HERPICIDE

The Original Remedy that "Kills the Dandruff Germ." Quite Homely—Quite Attractive.

The woman with homely features will not lack attractiveness if her head is crowned with an abundance of beautiful hair. But, on the other hand, the

finest contour of feminine face loses much of its attractiveness if the hair is scanty or looks diseased. The dandruff microbe causes dull, brittle or itchy hair and later dandruff, itching scalp and falling hair. Newbro's Herpicide destroys this enemy of beauty and permits the hair to grow as nature intended. A delightful hair dressing. Gives wonderful results. No oil or dye.

Drug Stores, \$1.00. Send 5c. stamps to HERPICIDE CO., Dept. H, Detroit, Mich., for a sample. SHERMAN & McCONNELL DRUG CO., Special Agents. APPLICATIONS AT PROMINENT BARBER SHOPS.
