BUSINESS PRACTICE The students of the commercial department are doing splendid work. It is well known that who ever takes a business course under Prof. Lowry becomes thoroughly qualified. It means everything to a student to be under the training of a practical bookkeeper, one who has had years of experience as instructor and accountant. The course combines theory and practice. From the very beginning the student handles the necessary business papers, such as note a, checks, drafts, receipts, lavolves, etc., thus making his course as near that of actual business from the start as possible. To take such a training with us means 8 UCCESS to the student.
