Geo. T. Morton

Geo. T. Morton, candidate for the legislature, is likely to get a large vote from the small home owners and individual taxpayers who benefited by the Real Estate Exchange tax fight, when they know the active part he took in it.

Mr. J. N. Frenzer, who was chalrman of the finance committee in that campaign, calls attention of some of his republican nonpartisan friends to this matter in the following letter:

Mr. George T. Morton, candidate for the legislature on the democratic ticket, is a young man, born and raised in this city. He was one of the plaintiffs in the tax litigation brought by the Real Estate exchange against the local franchised corporations to compel them to pay their just share of taxes, by which more than \$50,-000 taxes per year was taken off the home owners and individuals and placed where it

Mr. Morton is one of the plaintiffs in the sults now pending in the state and federal courts to compel the railroads to pay their proper and just share of the city taxes on their local terminals. For city purposes, the railroads are not paying taxes to exceed five (5) per cent on their actual value, while home owners and individuals are paying on about 100 per cent. I sincerely believe, Mr. Morton, if elected, will represent the people's interests.

In view of the foregoing, if you can consistently support him, your doing so and speaking to your friends about him, will be regarded as a personal favor and appreclated by

JOHN N. FRENZER.

RE-432 7m GEO, T. MORTON. Many of my friends do not know that I am a candidate for the legislature. I am one and am on the democratic ticket. If you favor what you know

stand for-good government, equality in

taxation, etc.-vote for me.
