OMAHA ORCHESTRA

Notice to Professional Musicians and Amateurs.

All the professional union musicians who intend to participate at the concerts given at the Boyd's theater under the leadership of Mr. Hans Albert must attend the first rehearsal on Menday morning at 9:30, at the Royal Areanum hall, 16th and Harney

This rehearsal will be a paid one and all musicians must be there so Mr. Albert can arrange as to their respective places in the orchestra. All musicians who only can perform in the afternoon concerts, which include the ones engaged at the Creighton and Krug theaters, if they intend to be enrolled as members for the Omaha Orchestra, also must be there.

All amateurs who intend to permanently belong to this orchestra must also be there, or if they are engaged at their respective business will be excused, but they must notify the director. Negotiations are pending with Mr. Bruno Steindl, the great cello virtuoso from Chicago, as soloist for the first concert, and in order to play his accompaniments perfectly Mr. Albert must insist to have all rehearsals strictly attended by all concerned. Respectfully, HANS ALBERT.

SOMETHING DOING!

There is a law compelling the street rail-way company to enclose the vestibules to protect the motormen from cold. This law has been compiled with on the cars running between Omaha and Council Bluffs, BUT not on the balance of the Omaha. South Omaha or Council Bluffs cars. THIS LAW IS GOING TO BE ENFORCED—SEE. There is also something doing amons the PATENT MEDICINE TRUSTS. They are all trying to get into the DR. MILES BAND WAGON; in other words, trying to force the druggists to sell their goods for full prices. Peruna is one, Palne's Celery Compound is another, the Miles remedies are already there, and there are many more of them—coming. HAD YOU NOT BETTER GET WHAT YOU WANT OF THESE DOLLAR REMEDIES FROM US AT 79C BEFORE THE PRICE IS FORCED UP?

Moore's Base Burner

NO ASHES-NO DUST MOORE'S BASE BURNER, 1904 model, is strikingly handsome and resplendent with the finest high art nickel. It will add a hundred dollars to the appearance of any home and it's worth another hundred because of its conven-

ience and cleanliness. It is triple action—It heats up-stairs-It heats the main floor-and if you wish, it will send the ashes into the bin down cellar.

Did you ever see ashes shoot the chute? Come and see how it is done in the 1904 Moore's Base Burner. No ashes or dust in the parlor. It's the only kind that suits particular people. It's the easiest stove in the world to run and, because of the air circulating system, it keeps your house warm and comfortable in the coldest weather

and saves from 1/8 to 1/2 the coal you have been using.
