**Moore's Stoves Always Please**

No Ashes  
No Dust

**MOORE'S BASE BURNER**

1904 model, is strikingly handsome and resplendent with the finest high art nickel. It is triple action—it heats upstairs, it heats the main floor, and if you wish, it will send the ashes into the bin down cellar. No ashes or dust in the parlor. It's the only kind that suits particular people. It's the easiest stove in the world to run and, because of the air circulating system, it keeps your house warm and comfortable in the coldest weather and saves from 1/2 to 1/3 the coal you have been using.

**COAL TALK**

Only experience can measure coal quality. You've got to burn TRENTON coal in your stove to thoroughly know its superior goodness.

Every person will concede the easy possibility of one brand of coal being better than another. When you buy TRENTON coal you get the extreme limit of the best quality in soft coal mined in Illinois. Lump \$9. Net, \$5.50 per ton.

Once a customer, always a customer.
